THREESOME May stood eyes lidded with passion as Jerry looked from the photo to the top of Kit s exposed breasts Kit gave them a final jiggle and moved her hands away She stood up slowly and turned to face him her hands moving to the zipper at her waist Let me undress you I want you to see all of me see me and use me if you want me The dress was soon a puddle of cloth at her feet Then she felt Jerry s hands at her panties drawing the filmy material down her thighs and all the way down her legs She stepped out of them She heard May gasp As she stood before them on beautiful but increasingly unsteady legs Kit brought her hands to the sides of Jerry s head to steady herself and then gave up her senses to the erotic sensations that his educated fingers were producing My God she thought if just his fingers do this to me what will it be like when he really gives it to me And what will May be doing She shivered in anticipation
