Unexpected Consequences:

Unintended Consequences of Human Actions Elena Ermolaeva, Jessica Ross, 2012-07-10 Using a mixed method approach *Unintended Consequences of Human Actions* documents a wide range of unintended and unanticipated consequences of human actions The major message is the urgent need to review a range of possible outcomes of human actions During these fragile times looking down the road has become imperative

Unintended Consequences of EU External Action Olga Burlyuk, Gergana Noutcheva, 2020-06-09 This book offers a conceptualisation of unintended consequences and addresses a set of common research questions highlighting the nature what the causes why and the modes of management how of unintended consequences of the European Union s EU external action The chapters in the book engage with conceptual and empirical dimensions of the topic as well as scholarly and policy implications thereof They do so by looking at EU external action across various policy domains including trade migration development state building democracy promotion and rule of law reform and geographic areas including the USA Russia the Western Balkans the southern and eastern European neighbourhood and Africa The book contributes to the study of the EU as an international actor by broadening the notion of its impact abroad to include the unintended consequences of its in actions and by shedding new light on the conceptual paradigms that explain EU external action This book fills the gap in IR and EU scholarship concerning unintended consequences in an international context and will be of interest to anyone studying this important phenomenon It was originally published as a special issue of *The International Spectator Italian Journal of International Affairs* Chapters 1 3 7 8 and 9 are available Open Access at <https://www.routledge.com/products/9780367346492>

The Unintended Consequences of Interregionalism Elisa Lopez-Lucia, Frank Mattheis, 2020-12-30 This edited book brings a new analytical angle to the study of comparative regionalism by focussing on the unintended consequences of interregional relations The book satisfies the need to go beyond the consideration of the success or failure of international policies It sheds light on complex interactions involving multiple actors individual and institutional driven by various representations interests and strategies and which often result in unintended consequences that powerfully affect the socio political context in which they unfold By providing a new conceptual framework to understand how interregionalism brings about social change the book examines the effects on the individual and institutional actors of interregional relations and the effects on the social structures that constitute interregionalism It also examines interregionalism s transformational character for structures of regional and international governance as well as societies This book will be of key interest to scholars and students in the fields of comparative regionalism interregionalism EU studies international and regional organisations global governance and more broadly to international relations international politics and comparative area studies
