Union General John A McClernand And The Politics Of Command:

Union General John A. McClernand and the Politics of Command Christopher C. Meyers, 2010-10-01 John A McClernand was a career politician and those ambitions and qualities continued during his Civil War service A member of the Illinois General Assembly and a U S Representative for 10 years McClernand was connected to other prominent figures of the time such as Abraham Lincoln and Stephen Douglas However he is best known for his rivalry with Gen Ulysses S Grant and this biography balances McClernand s political career with his military leadership and his place in the Union command structure

Shapers of the Great Debate on the Civil War Dan Monroe, Bruce Tap, 2005-07-30 With the conclusion of the Mexican War in 1848 the United States seemed poised to fulfill the manifest destiny that was on the lips of journalists and politicians Yet even before the war was over tensions over the issue of slavery erupted Slavery symbolized the social cultural constitutional and economic differences that were dividing the North and South Through four years of bloody civil war and the loss of over 600 000 lives the American republic decided the fate of slavery asserted the supremacy of the federal government over state authority and began to grapple with the difficult issues of reconstruction This work provides substantial biographical entries of 20 individuals who shaped and defined the debates during the Civil War period Political and military figures such as Abraham Lincoln and Robert E Lee writers such as Harriet Beecher Stowe and abolitionist reformers such as Frederick Douglass and George Fitzhugh are included With the conclusion of the Mexican War in 1848 the United States seemed poised to fulfill the manifest destiny that was on the lips of journalists and politicians Yet even before the war was over tensions over the issue of slavery erupted Slavery symbolized the social cultural constitutional and economic differences that were dividing the North and South Through four years of bloody civil war and the loss of over 600 000 lives the American republic decided the fate of slavery asserted the supremacy of the federal government over state authority and began to grapple with the difficult issues of reconstruction This work provides substantial biographical entries of 20 individuals who shaped and defined the debates during the Civil War period Political and military figures such as Abraham Lincoln and Robert E Lee writers such as Harriet Beecher Stowe and abolitionist reformers such as Frederick Douglass and George Fitzhugh are included Each biography provides a concise account of the subject s life followed by an analysis of the figure s role and contribution to the central issues of the day and concludes with a bibliography of secondary and primary sources available to students An appendix of over 180 additional biographies highlights the lives of others who played a role in the debates of the Civil War

The Mississippi Encyclopedia Ted Ownby, Charles Reagan Wilson, Ann J. Abadie, Odie Lindsey, James G. Thomas Jr., 2017-05-25 Recipient of the 2018 Special Achievement Award from the Mississippi Institute of Arts and Letters and Recipient of a 2018 Heritage Award for Education from the Mississippi Heritage Trust The perfect book for every Mississippian who cares about the state this is a mammoth collaboration in which thirty subject editors suggested topics over seven hundred scholars wrote entries and countless individuals made suggestions The volume will appeal to

anyone who wants to know more about Mississippi and the people who call it home The book will be especially helpful to students teachers and scholars researching writing about or otherwise discovering the state past and present The volume contains entries on every county every governor and numerous musicians writers artists and activists Each entry provides an authoritative but accessible introduction to the topic discussed The Mississippi Encyclopedia also features long essays on agriculture archaeology the civil rights movement the Civil War drama education the environment ethnicity fiction folklife foodways geography industry and industrial workers law medicine music myths and representations Native Americans nonfiction poetry politics and government the press religion social and economic history sports and visual art It includes solid clear information in a single volume offering with clarity and scholarship a breadth of topics unavailable anywhere else This book also includes many surprises readers can only find by browsing [Ruined by This Miserable War](#) Carl A.

Brasseaux, Katherine Carmines Mooney, 2013-02-28 In March 1863 after Northern general Benjamin F Butler demanded the recall of the French consul general an unabashed Confederate sympathizer from Union occupied New Orleans Charles Prosper Fauconnet assumed the duties of acting consul A seasoned diplomat who had risen slowly through the ranks in Latin America and the United States Fauconnet quickly and effectively repaired the rift between local French and American authorities while striving valiantly to safeguard the interests of his government and the French nationals who found themselves literally and figuratively caught in the crossfire From 1863 through 1868 Fauconnet maintained a copybook of his official correspondence with the French Ministry of State These confidential dispatches collected for the first time in this valuable volume provide not only a panoramic view of the Civil War and Reconstruction on the Gulf Coast but also new and important information on the transnational aspects of America's Civil War Eager to explain complicated issues to a French government concerned over the fate of one of its former territories Fauconnet painstakingly laid out what was happening in New Orleans by drawing on war news newspaper columns and summaries of speeches and promises of Union commanding officers His commentary peeled away the layers of contradiction and moral dilemmas that confronted citizens of Southern Northern and French heritages during the war years and early postwar period Among the topics he considered were whether emancipated slaves deserved the same rights as naturalized citizens the state of the cotton market and the harassment of French speaking immigrants by both Union and Confederate authorities Informative and detailed Fauconnet's communications became increasingly acerbic and uneasy as he documented and explained the Civil War to officials in his faraway homeland Breathtaking in its geographic scope and topical breadth thanks in part to the acute observational and reporting skills of its author Fauconnet's correspondence offers a unique and thoroughly fascinating francophone perspective on New Orleans during some of the most tumultuous years in U S history CARL BRASSEAUX is the author of over thirty books related to the French presence in the Gulf Coast including *Refuge for All Ages Immigration in Louisiana History* *French Cajun Creole Houma A Primer on Francophone Louisiana* and *Stir the Pot The History of Cajun Cuisine* Until his

recent retirement he was director of the Center for Louisiana Studies and professor of history at the University of Louisiana at Lafayette KATHERINE CARMINES MOONEY a Ph D candidate at Yale University is a specialist in nineteenth century history Her research includes the history of thoroughbred horse racing culture from 1820 to 1910 *John M. Schofield and the Politics of Generalship* Donald B. Connelly,2006-12-08 In the first full biography of Lieutenant General John McAllister Schofield 1831 1906 Donald B Connelly examines the career of one of the leading commanders in the western theater during the Civil War In doing so Connelly illuminates the role of politics in the formulation of military policy during both war and peace in the latter half of the nineteenth century Connelly relates how Schofield as a department commander during the war had to cope with contending political factions that sought to shape military and civil policies Following the war Schofield occupied every senior position in the army including secretary of war and commanding general of the army and became a leading champion of army reform and professionalism He was the first senior officer to recognize that professionalism would come not from the separation of politics and the military but from the army s accommodation of politics and the often contentious American constitutional system Seen through the lens of Schofield s extensive military career the history of American civil military relations has seldom involved conflict between the military and civil authority Connelly argues The central question has never been whether to have civilian control but rather which civilians have a say in the formulation and execution of policy Vicksburg and Chattanooga Jack H. Lepa,2014-10-07 Few Civil War events produced more important strategic results for the Union than the taking of Vicksburg and Chattanooga Along with the Federal triumph at Gettysburg these gains were decisive in bringing about final Union victory Ulysses S Grant was the man in charge of the Federal forces His solid competence and willingness to take calculated risks enabled him to overcome the twin challenges of difficult terrain and heroic Confederate resistance at Vicksburg and to prevail against seemingly unassailable enemy positions at Chattanooga This book is the story of the courage and determination that accompanied the triumphs and blunders of both sides *The War Within the Union High Command* Thomas Joseph Goss,2003 As this book reveals professional generals viewed the war as a military problem requiring battlefield solutions while appointees and President Lincoln focused more emphatically on the broader political contours of the struggle The resulting friction often eroded Northern morale and damaged the North s war effort Goss challenges the traditional idea that success was measured only on the battlefield by demonstrating significant links between military success and the achievement of the Union s political objectives Examining commanders like Benjamin Butler Nathaniel Banks John McClernand John Fremont and Franz Sigel Goss shows how many filled vital functions by raising troops boosting homefront morale securing national support for the war and sometimes even achieving significant success on the battlefield *William S. Rosecrans and the Union Victory* David G. Moore,2014-03-25 This is the first biography of Union General William S Rosecrans in more than fifty years It tells the story of his military successes and the important results that led to the Union victory in the Civil War winning the first major campaign of the war

in West Virginia in 1861 victories in northeastern Mississippi that made the Vicksburg Campaign possible gaining the victory without which Abraham Lincoln said the nation could scarcely have lived over conducting two brilliant campaigns in Tennessee and fighting the battle of Chickamauga giving permanent possession of Chattanooga to the federals defending Missouri from an invasion in 1864 The book also attempts to explain why Rosecrans was removed four times despite his military successes and examines the important part politics played in the war Additionally it reveals a man who promoted many advances in medical care transportation and cartography a man interested in engineering as well as theology

Lincoln's Political Generals Benton Rain Patterson, 2014-08-21 Lincoln's most controversial generals his so called political generals were appointed promoted or kept in service for political purposes without regard for their competence It seems but little better than murder the Army's general in chief Henry Halleck protested to give important commands to such men The book shows these seven generals Butler Banks Sigel Fremont McClernand Hurlbut and Wallace in action allowing readers to decide for themselves if Halleck was right in his withering assessment of Lincoln's political generals

Civil War
Arkansas, 1863 Mark K. Christ, 2012-11-09 The Arkansas River Valley is one of the most fertile regions in the South During the Civil War the river also served as a vital artery for moving troops and supplies In 1863 the battle to wrest control of the valley was in effect a battle for the state itself In spite of its importance however this campaign is often overshadowed by the siege of Vicksburg Now Mark K Christ offers the first detailed military assessment of parallel events in Arkansas describing their consequences for both Union and Confederate powers Christ analyzes the campaign from military and political perspectives to show how events in 1863 affected the war on a larger scale His lively narrative incorporates eyewitness accounts to tell how new Union strategy in the Trans Mississippi theater enabled the capture of Little Rock taking the state out of Confederate control for the rest of the war He draws on rarely used primary sources to describe key engagements at the tactical level particularly the battles at Arkansas Post Helena and Pine Bluff which cumulatively marked a major turning point in the Trans Mississippi In addition to soldiers letters and diaries Christ weaves civilian voices into the story especially those of women who had to deal with their altered fortunes and so fleshes out the human dimensions of the struggle Extensively researched and compellingly told Christ's account demonstrates the war's impact on Arkansas and fills a void in Civil War studies

Decisions of the Vicksburg Campaign Lawrence K. Peterson, 2024-06-24 Vicksburg nicknamed the Gibraltar of the Confederacy was vital to Confederate supply lines troop movements and access to port cities on the Gulf of Mexico The fortified city had been under constant attack since 1862 as Admiral Farragut assaulted Vicksburg after capturing New Orleans and Major General Halleck enlisted then Major General Grant to devise an overland campaign to support a naval engagement As Vicksburg was heavily garrisoned and resupplied regularly Federal plans came up short again and again But the pugnacious Grant would eventually devise a bold plan to cross the Mississippi River and advance along the western bank use a feint by General Sherman's forces and a raid by Colonel Grierson's cavalry to draw out Confederate

troops then recross the river and capture Vicksburg

Decisions of the Vicksburg Campaign explores the critical decisions made by Confederate and Federal commanders during the battle and how these decisions shaped its outcome Rather than offering a history of the battle Larry Peterson hones in on a sequence of critical decisions made by commanders on both sides of the contest to provide a blueprint of the battles for Vicksburg at their tactical core Identifying and exploring the critical decisions in this way allows students of the battles to progress from a knowledge of what happened to a mature grasp of why events unfolded as they did Complete with maps and a driving tour **Decisions of the Vicksburg Campaign** is an indispensable primer and readers looking for a concise introduction to the battle can tour this sacred ground or read about it at their leisure with key insights into the campaign and a deeper understanding of the Civil War itself

Decisions of the Vicksburg Campaign is the twentieth in a series of books that will explore the critical decisions of major campaigns and battles of the Civil War

Armies South, Armies North Alan Axelrod, 2017-05-01 An argument settler and starter for Civil War buffs who want to know which side had the better soldiers **Armies South Armies North** definitively compares the military forces of both sides Civil War buffs are always arguing over which side had the better soldiers **Armies South Armies North** by Alan Axelrod helps readers reconsider their understanding of America's most harrowing war Axelrod is the author of more than one hundred books with a passion for military history and leadership Each chapter of his new book compares the military forces with both quantitative and qualitative measures Axelrod analyzes the equipment the leadership and strategies and the men who fought in each army with additional focus on lesser known flash points during the war

Always In The Middle Of The Battle: Edward Kiniry And The 1st Illinois Light Artillery Battery D David Edward Wall, 2010-08-05 Chapter One Orphaned and Alone in Manhattan Edward was an orphan at age ten and he was now living with relative guardians who treated him with disdain They certainly did not need another mouth to feed Chapter Two Edward Joined McAllisters Battery and went camping The one who attacks now will be victorious and the enemy will have to be in a hurry if he gets ahead of me Ulysses S Grant Chapter Three Shiloh Nothing Would Ever Be the Same Again On my fall visit to Shiloh in 2006 the leaves were changing their uniforms for those of bright new fall shades browns oranges and reds some so red they were almost purple This contrasted to the green leaves and blood red earth that appeared on the ground those two deadly days in April 1862 Chapter Four Vicksburg The President then laid out the concerns and questions he had held about Grants movements and plans for capturing the city and concluded I now wish to make the Personal acknowledgment that you were right and I was wrong A Lincoln Chapter Five Chattanooga On On I must go to meet a soldiers fate William T Sherman With the opening of the cracker line the besieged army was eating better than the investing army Chapter Six Atlanta At this critical moment a subordinate officer pulled out a pocket handkerchief and tied it to a ramrod and was in the act of raising it in a token of surrender Captain Cooper struck it down with his sword explaining Never As long as there is a man left They had kept track of the guns by the sound having come to know it as it were their voices Chapter Seven Railroads Trains Indians Cow Chips

and Chaps One day as Mr Murphy myself was baleing hay we heard someone crossing the Creek Mike said there were Indians and told me to go to the cabin and get the guns I started when a big Indian said hold up I stopped and by then there was another one between me and the cabin so it was all off *A Just and Righteous Cause* Bruce J. Dinges, Shirley A. Leckie, 2016-06-29 General Benjamin H Grierson is most widely known as the brilliant cavalryman whose actions in the Civil War s Mississippi Valley campaign facilitated Ulysses S Grant s capture of Vicksburg There is however much more to this key Union officer than a successful raid into Confederate held Mississippi In *A Just and Righteous Cause* Benjamin H Grierson s Civil War Memoir edited by Bruce J Dinges and Shirley A Leckie Grierson tells his story in forceful direct and highly engaging prose *A Just and Righteous Cause* paints a vivid picture of Grierson s prewar and Civil War career touching on his antislavery views Republican Party principles and military strategy and tactics His story begins with his parents immigration to the United States and follows his childhood youth and career as a musician the early years of his arriage his business failures prior to becoming a cavalry officer in an Illinois regiment his experiences in battle and his Reconstruction appointment Grierson also provides intimate accounts of his relationships with such prominent politicians and Union leaders as Abraham Lincoln Richard Yates Andrew Johnson William T Sherman Ulysses S Grant John C Fr mont and Benjamin Prentiss Because Grierson wrote the memoir mainly with his family as the intended audience he manages to avoid the self promotion that plagues many of his contemporaries chronicles His reliance on military records and correspondence along with family letters lends an immediacy rarely found in military memoirs His reminiscences also add fuel to a reemerging debate on soldiers motivations for enlisting in Grierson s case patriotism and ideology and shed new light on the Western theater of the Civil War which has seen a recent surge in interest among Civil War enthusiasts A non West Point officer Grierson owed his developing career to his independent studies of the military and his connections to political figures in his home state of Illinois and later to important Union leaders Dinges and Leckie provide a helpful introduction which gives background on the memoir and places Grierson s career into historical context Aided by fourteen photos and two maps as well as the editors superb annotations *A Just and Righteous Cause* is a valuable addition to Civil War history **Yazoo Pass Expedition, The: A Union Thrust into the Delta** Larry Allen McCluney Jr., 2017 After six failed attempts to reach Vicksburg General Ulysses S Grant developed a plan The Yazoo Pass Expedition was a Union army navy operation meant to bypass Vicksburg by using the backwaters of the Mississippi Delta Operations began on February 3 1863 with a levee breach on the Mississippi River The expedition was delayed as a result of natural obstacles and Confederate resistance which allowed the Confederate army under Lieutenant General John Pemberton to block passage of the Federal fleet The Confederates continued to rebuff the fleet and finally defeated it in the spring Larry McCluney examines the expedition from start to finish in never before seen detail *Staff Ride Handbook For The Vicksburg Campaign, December 1862-July 1863 [Illustrated Edition]* Dr. Christopher Gabel, 2015-11-06 Includes over 30 maps and Illustrations The Staff Ride Handbook for the Vicksburg Campaign December

1862 July 1863 provides a systematic approach to the analysis of this key Civil War campaign Part I describes the organization of the Union and Confederate Armies detailing their weapons tactics and logistical engineer communications and medical support It also includes a description of the U S Navy elements that featured so prominently in the campaign Part II consists of a campaign overview that establishes the context for the individual actions to be studied in the field Part III consists of a suggested itinerary of sites to visit in order to obtain a concrete view of the campaign in its several phases For each site or stand there is a set of travel directions a discussion of the action that occurred there and vignettes by participants in the campaign that further explain the action and which also allow the student to sense the human face of battle Part IV provides practical information on conducting a Staff Ride in the Vicksburg area including sources of assistance and logistical considerations Appendix A outlines the order of battle for the significant actions in the campaign Appendix B provides biographical sketches of key participants Appendix C provides an overview of Medal of Honor conferral in the campaign An annotated bibliography suggests sources for preliminary study **Civil War Almanac** John C. Fredriksen,2007 Presents a comprehensive reference to the American Civil War including a chronology of major events biographical sketches related articles and a collection of maps *Johnson's (revised) Universal Cyclopaedia* ,1886
Johnson's New Universal Cyclopædia Frederick Augustus Porter Barnard,1876 **Johnson's New Universal Cyclopædia : a Scientific and Popular Treasury of Useful Knowledge** ,1884
