Sullivan,2017-11-08 The Historical Dictionary of the Chinese Economy covers the world s second largest macro economy Extensive attention throughout the volume is given to the historical development of the Chinese economy since the establishment of the People s Republic of China PRC in 1949 Included is a review of developments during the period of central economic planning adopted from the Soviet Union 1953 1978 and in depth information and analysis on the various policies and fundamental changes brought about in China by the inauguration of economic reforms from 1978 1979 through 2016 This book contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on critical sectors of the economy including automobiles banking and finance national currency economic regulation trade and investment and important industries such as agriculture computers and electronics iron and steel real estate and shipping This book is an excellent resource for students researchers and anyone wanting to know more about China s economy Textile Outlook International ,2003

The End of Copycat China Shaun Rein,2014-09-19 China s changing course and sustainable success requires a shift in strategy The End of Copycat China helps business executives and investors understand how China s economy is shifting from one based on heavy investment to one on services and consumption by providing insight that help shape effective strategy Drawing from over 50 000 interviews with entrepreneurs venture capitalists private equity investors private Chinese companies and multinationals this book describes how Chinese firms are increasingly focused on innovation rather than copying what worked in America and how consumers are evolving with their hopes dreams and aspirations China s growth model of the last three decades is becoming increasingly ineffective as relying on heavy investment and exports is becoming less and less feasible Fifty percent of China s growth in 2013 stemmed from consumption the government is establishing a Free Trade zone in Shanghai and ending the dominance of state owned enterprises This book provides a roadmap for companies and investors looking to navigate these changes and capture emerging trends with deep insight and practical guidance on what innovation looks like in the new China Survey the development of innovation taking place in China s economy from an insider s perspective Consider the changes that must take place to shore up the broken growth model

Examine the consumer trends emerging in the midst of rapid market evolution Understand how China's rise will impact its neighbors like Japan Vietnam Indonesia and Cambodia China's dramatic shift toward consumption presents a tremendous opportunity for foreign business but traditional tactics are outdated at best financially fatal at worst as local competitors focus on innovation and move up the value chain and as consumers look for new brands and categories to spend money on New strategies are needed to keep pace with the changing regulatory and consumer environments and business as usual won't get very far The End of Copycat China is the business guide to this emerging market with expert guidance from the inside

Retail Market Study 2012 Marc-Christian Riebe, 2012-02-01 The first Worldwide Retail Market Study carried out by the Location Group examined the 65 most noteworthy international fashion capitals together with Switzerland Germany and Austria on 500 pages As part of this study 850 retailers 600 High Streets and 450 shopping centres were put under the microscope 53 newcomers to Zurich's Bahnhofstrasse were described in the 10 year report *Hitmakers* Ana Andjelic, 2024-12-13 Modern brands are hitmakers Knowing how to influence consumers through collaborations merch entertainment brand codes icons and other cultural products and not through advertising is a matter of strategy In this book world renowned brand expert Ana Andjelic shows how modern brand strategy needs to be redefined as the strategy of cultural influence how brands today influence culture how brands should address audiences and how the new approach to cultural hitmaking works organizationally and operationally A cultural hit is an idea content or entertainment that a large number of consumers pay attention to share and talk about Once cultural hits become market hits by lifting brand popularity or driving product sales they have a strong financial return for a company Brands are motivated to start producing as many cultural hits as possible and these new formats replace traditional brand marketing strategies In the book Ana Andjelic clearly articulates the complexity of this modern brand building and provides a set of practical examples and tools that can be used by brand strategists to produce a cultural hit **The New York Times Index**, 2005 **D&B Principal International Businesses**, 2008 **The Times Index**, 2011 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement **Uniqlo Women's Fall-winter 2006**, 2006
