United States Executive Poster Size Wall Map Tubed National Geographic Reference Map:

United States Executive Poster Size Map National Geographic Maps, National Geographic Maps - Reference, 2018-02-22 National Geographic's Executive reference map of the United States features all 50 States with insets for Alaska and Hawaii in antique executive cartographic style. Each state is colored to clearly define borders and shaded relief accentuates geographical features. All major cities, transportation routes, state boundaries, National Parks, lakes, and rivers and mountain ranges are clearly displayed and labeled. Poster sized maps make a perfect addition to any sized space. They are specially designed to maximize content in a smaller footprint than standard wall maps and fit precisely into pre-cut poster sized frames which makes finishing and hanging them a breeze. The map is encapsulated in heavy duty 1.6 mil laminate which makes the paper much more durable and resistant to the swelling and shrinking caused by changes in humidity. Laminated maps can be framed without the need for glass so the frames can be much lighter and less expensive. Map Scale 1:541,000 Sheet Size 36 x 24

World Executive National Geographic Maps, National Geographic Maps - Reference, 2016-01-08 National Geographic's World map is the standard by which all other reference maps are measured. The World map is meticulously researched and adheres to National Geographic's convention of making independent apolitical decisions based on extensive research using multiple authoritative sources. The Executive style World map uses an antique style color palette and stunning shaded relief that provide a richness perfect for any decor. Drawn in the Winkel Tripel projection, distortions are minimized and unlike many other World maps, Greenland is shown the same size as Argentina and not as the size of all of South America. Thousands of place names are carefully and artistically placed on the map to maintain legibility even in the heavily populated areas of Europe, Asia, and the Middle East. Details include clearly defined international boundaries, cities, physical features, rivers, and ocean floor features. Corner inset maps feature vegetation and land use and population density as well as the north and south polar regions. Enlarged maps provide an immersive experience in any home or office environment. The exceptional cartography is even easier to appreciate at the larger size. The
