Though God Matters Ronald P. Byars, 2022-10-14 We in mainline churches are uneasy maybe even scared Why are our voices not heard After all we are the reasonable Christians the updated Christians the respectable ones who have dominated the cultural landscape since colonial times This book presumes that trying to reverse the loss of our traditional status in society is both futile and beside the point What is called for when we find ourselves in a state of crisis is to rediscover the big picture the Christian hope projected on a large screen This requires the courage to revisit the sources from which all Christian hope springs rediscovering their life giving power That power rises from the counterintuitive affirmations of the gospel represented in Christ's incarnation his healing the afflicted his raising the dead his vulnerability his cross resurrection and universal restoration Acts 3:21 Preaching and worship that embodies and lifts up the hard parts the life giving parts is neither fundamentalist nor an exercise in nostalgia It is rather evidence of confidence in the triune God who makes the unknowable known The Good Shepherd promised My sheep hear my voice I know them and they follow me John 10:27 And when they do they will

A House of Prayer Thomas R. States *All I Really Want* Quinn G. Caldwell, 2014-10-07 Sometimes the happiest and holiest time of the year is also the hardest for people to enjoy These daily readings offer the skeptic the over committed the opportunity to make room perhaps just enough room for God to show up The weeks leading up to Christmas can spark a strong spiritual longing for more Although it may never be articulated we sense beneath those longings is a yearning for an experience of God These brief writings address the challenges and realities of the season and include a simple action ritual or meditation designed to gently steer the reader toward the deeper meaning that underlies the season Smart witty edgy and always hopeful readings by Quinn Caldwell include a brief prayer for each morning and evening during the entire Christmas season This book takes seriously the modern person s hunger for meaning and import in a season that feels increasingly frivolous Includes a calendar with one easy task to do each day

God Is Not Fair, Thank God! George E. Thompson, 2014-02-05 Life is not fair What does this reality imply about the nature of God and the destiny of human beings In this engaging book Thompson asserts that fairness is not an expectation of the faithful within the Judeo Christian Scriptures Biblical narrative discloses the mystery of a paradoxical deity that indwells with the suffering of creation and thereby provides a mercy that exceeds the evasive goal of fairness The process of healing and redemption of this cracked creation occurs through the tears and suffering of the biblical God whose authentic power is revealed within divine vulnerability and weakness The Jesus of history truly manifested the fullness of this paradoxical God for he disclosed the richness of the divine Being by emptying himself and taking the form of a redemptive servant When the church grasps for power and control avoids compassionate and costly ministries among the poor and powerless and renders primary focus upon gaining heavenly rewards it rejects its Christ centered mission relinquishes its paradoxical purpose and ceases to strive toward becoming an extension of the incarnation Thompson explores various paradoxical facets of each person of the Trinity and richly illustrates with stories from his vast experience as a parish theologian
