

UNIVERSAL MEANING

In Search of the Reason
for Our Existence

Floyd Brown, Ph. D.

"This is an extraordinarily ambitious investigation...a worthy attempt to combine the best of what science can offer with an unremitting insistence on the human significance of science's findings."

Altruism or the Other as the Essence of Existence Iraklis Ioannidis, 2021-03-22 Iraklis Ioannidis offers fresh yet radical philosophical insights into the much contested topic of altruism Whereas the debate on altruism since time immemorial consists in trying to determine whether we are biologically altruistic or not Ioannidis explores altruism otherwise Following Nietzsche he traces altruism to the phenomenon of promising or giving one's word His analysis provokes us to think that our possibility to exist cannot be realized without this event Ioannidis passage to altruism attempts to perform altruism while exploring it By reversing the axioms of classical phenomenology what he calls unbracketing he welcomes in his writing space any discourse any human expression which could help the philosophical investigation

The Edge of Tomorrow Pasquale De Marco, 2025-07-14 On the precipice of the future The Edge of Tomorrow beckons inviting us

to explore the uncharted depths of time and contemplate the mysteries that lie ahead This compelling journey transcends the boundaries of the known delving into the vastness of human potential technological advancement and the indomitable resilience of the human spirit Within these pages profound thinkers futurists and visionaries share their insights into the forces that shape our world and the choices that will determine our destiny Through their eyes we gain a deeper understanding of the delicate balance between innovation and responsibility the enduring power of compassion and empathy and the significance of embracing change as a catalyst for growth The Edge of Tomorrow unveils the enigma of consciousness delving into the depths of our own existence and questioning the nature of reality It explores the promise and peril of technological advancements examining the impact of automation artificial intelligence and the evolving relationship between humans and machines This book also pays homage to the enduring legacy of humanity showcasing our capacity for resilience creativity and unwavering hope in the face of adversity With each chapter readers are invited to question their assumptions challenge conventional wisdom and ponder the profound implications of our choices The Edge of Tomorrow is not merely a collection of words it is a gateway to the uncharted territories of the future a clarion call to action that urges us to embrace the unknown confront our fears and strive for a future that is both sustainable and equitable As we stand on the threshold of tomorrow this book serves as a testament to our collective potential to shape a world that is worthy of our dreams and aspirations Thought provoking and inspiring The Edge of Tomorrow is a must read for anyone who seeks to understand the complexities of our rapidly changing world and envision a future that is both hopeful and transformative If you like this book write a review

[Christianity and the New Eugenics](#) CALUM MACKELLAR,2020-05-21 What will it mean for society if science enables us to choose a future child whose health athletic ability or intelligence is predetermined This future is becoming ever more likely with the latest developments in human reproduction but concerns are growing about the implications New procedures making possible heritable genetic modifications such as genome editing open the door to sanitized selective eugenics but these practices have some unnerving similarities to the discredited eugenic programmes of early twentieth century regimes A Christian perspective based on Scripture gives us the resources we urgently need to evaluate both current and future selection practices Calum MacKellar offers an accessible inter disciplinary analysis blending science history and Christian theology This book will enable you to become fully informed about the new scientific developments in human reproduction developments that will affect us all

Existential Theology Hue Woodson,2020-09-29 Existential Theology An Introduction offers a formalized and comprehensive examination of the field of existential theology in order to distinguish it as a unique field of study and view it as a measured synthesis of the concerns of Christian existentialism Christian humanism and Christian philosophy with the preoccupations of proper existentialism and a series of unfolding themes from Augustine to Kierkegaard To do this Existential Theology attends to the field through the exploration of genres the European traditions in French Russian and German schools of thought counter traditions in

liberation feminist and womanist approaches and postmodern traditions located in anthropological political and ethical approaches While the cultural contexts inform how each of the selected philosopher theologians present genres of existential theology other unique genres are examined in theoretical and philosophical contexts particularly through a selected set of theologians philosophers thinkers and theorists that are not generally categorized theologically By assessing existential theology through how it manifests itself in genres this book brings together lesser known figures well known thinkers and figures that are not generally viewed as existential theologians to form a focused understanding of the question of the meaning of existential theology and what existential theology looks like in its varying forms Introducing Apologetics
