Universal Salvation The Current Debate:

Universal Salvation? Robin A. Parry, Christopher H. Partridge, 2004-03-25 Foreword by Gabriel Fackre Will God one day save all people through Christ's atoning work That is the question at the heart of the debate in this volume a debate sure to challenge readers whatever their current perspective Featuring evangelical writers of exceptional insight and sensitivity Universal Salvation offers a conversation worth everyone's attention The volume opens with a rigorous three part defense of Christian universalism by philosopher Thomas Talbott who argues that Scripture teaches the ultimate salvation of all people including those in hell Gabriel Fackre in his foreword calls Talbott's work the most thoughtfully wrought argument for universalism to date from within the contemporary evangelical community The rest of the book gathers incisive responses to Talbott by Christian scholars from different disciplines who evaluate the strengths and weaknesses of Talbott's arguments take his thought in new directions or explain why they think he is mistaken Talbott then responds to his critics The aim of this volume is not to persuade people that universalism is true but to open up a fairer debate on a controversial subject of continuing importance to theologians and nontheologians alike By exploring universal salvation from biblical philosophical theological and historical perspectives the book helps readers think through the issues more carefully than has been possible with resources previously available

A Catholic Reading Guide to Universalism Robert Wild, 2015-08-14 This reading guide to some of the philosophical and theological literature on universalism offers practical help in providing informed material on a topic that is often treated in a superficial and unenlightened manner The reader may be surprised to learn that universalism was the predominant belief in the early centuries and that it has always been present in the Christian tradition Spurred on by Von Balthasar's book *Dare We Hope That All Men Be Saved* Robert Wild's guide provides current studies that support Von Balthasar's arguments that universalism is a legitimate hope for the Christian

The Evangelical Universalist Gregory MacDonald, Robin A. Parry, 2012-05-11 Can an orthodox Christian committed to the historic faith of the church and the authority of the Bible be a universalist Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that in the end all people will be saved Can one believe passionately in mission if one does not think that anyone will be lost forever Could universalism be consistent with the teachings of the Bible Gregory MacDonald argues that the answer is yes to all of these questions Weaving together philosophical theological and biblical considerations MacDonald seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology This second edition contains a new preface providing the backstory of the book two extensive new appendices a study guide and a Scripture index

A Debate on the Doctrine of Universal Salvation Enoch Merrill Pingree, 1845 **Will All be Saved?** Laurence Malcolm Blanchard, 2015-04-01 This book provides a survey and critical assessment of the doctrine of universal salvation in contemporary western theology within the context of the historic development of the doctrine

A Debate on the Doctrine of Universal Salvation Enoch Merrill Pingree, Nathan

Lewis Rice, 2024-07-08 Reprint of the original first published in 1845 Pro Ecclesia ,2004 *A Debate on the Doctrines of Atonement, Universal Salvation, and Endless Punishment* David Holmes, William G. Bishop (Reporter), 1848 Questions discussed 1 Does gospel salvation embrace deliverance from just and deserved punishment 2 Is there sufficient evidence for believing that all men will be finally holy and happy 3 Is there sufficient evidence for believing that any part of the human family will suffer endless misery in a future state pages 3 **'At the Pure Fountain of Thy Word'** Michael A. G. Haykin, 2004 One of the greatest Baptist theologians of the eighteenth and early nineteenth centuries Andrew Fuller has not had justice done to him There is little doubt that Fuller's theology lay behind the revitalization of the Baptists in the late eighteenth century and the first few decades of the nineteenth This collection of essays fills a much needed gap by examining the major area of Fuller's thought his work as an apologist The book argues that the New Testament exegesis which is at the heart of this reformulation is fundamentally accurate and that the resulting system is theologically coherent The book also argues that this view is not a Baptist novelty but is rather a recovery of the foundational Baptist thought of the seventeenth century First Things ,2005 **Engaging with Barth** David Gibson, Daniel Strange, 2009-03 This volume aims to engage with Karl Barth's questions and answers on a range of topics vital to Christian theology Specifically whether by going beyond behind or against Barth the chapters presented here attempt to provide a contemporary orientation to certain aspects of Barth's theology that can be deemed problematic from the standpoint of historic confessional evangelicalism Why engage with Barth And why the particular approach of this book The answer to the first question is that Barth's significance as arguably the greatest theologian of the twentieth century increasingly being recognized in an ongoing renaissance of international Barth scholarship means that Barth provides both opportunity and challenge for evangelicalism There is renewed interest in the question of how evangelicals should or should not appropriate Barth Given the sheer diversity within worldwide evangelicalism a consensus is unlikely to be reached Be that as it may in a range of areas evangelical theology stands to gain from careful and critical listening to what Barth has to say **A Debate on the Doctrine of Universal Salvation** Enoch Merrill Pingree, 1855 *Philosophia Christi* ,2006 **What are We Waiting For?** Russell Rook, Stephen R. Holmes, 2008 People often feel that biblical theology of future and hope is of little practical value for life in the present Christians are suspected of waiting for a pie in the sky when they die instead of dealing with the steak on their plate while they wait But the writers in this book argue that eschatology of creation's future in God's purposes is profoundly relevant for contemporary life The book outlines biblical and historical teachings on eschatology and then creatively explores their implications for a range of current issues from art to politics from ecology to pop culture from mission to work and from gender issues to ethics **Christ and the Judgement of God** Stephen Travis, 2009 In this long awaited second edition Stephen H Travis has completely revised and updated his scholarly study of the role of retribution in the NT This edition also includes three new chapters A Debate on the Doctrine of Universal Salvation Enoch Merrill Pingree, Nathan Lewis

Rice,1845 **Quaker Religious Thought** ,2003 Terms for Eternity Ilaria Ramelli,David Konstan,2007 What is truly timeless This book explores the language of eternity and in particular two ancient Greek terms that may bear the sense of eternal aionios and aidios This fascinating linguistic chronicle is marked by several milestones that correspond to the emergence of new perspectives on the nature of eternity These milestones include the advent of Pre Socratic physical speculation and the notion of limitless time in ancient philosophy the major shift in orientation marked by Plato s idea of a timeless eternity and the further development of Pre Socratic insights by Epicurean and Stoic thinkers From the biblical perspective the intersection of Greek and Hebrew conceptions is reflected in Septuagint as well as new inflections in popular terminology in the Hellenistic and Roman periods and in the role of eternity in the theology of the New Testament The profound cross fertilization of Christian and classical philosophical conceptions in the works of the Church fathers and their contemporaries is explored bringing the topic into the Patristic period Christian theology in the first five centuries of the Common Era and its choice of vocabulary prove to be most revealing of larger doctrinal commitments Above all debate raged on the question of eternal damnation versus the idea deemed heretical in the Christian church after the formal condemnation of Origenism of apocastasis or universal salvation that is the belief that the wicked are not condemned to eternal punishment but will eventually be included among the saved Terminology for eternity is often at the core of how these issues were debated and helps to identify which writers inclined to one or the other view of the matter Publisher s website

Barth and Bonhoeffer as Contributors to a Post-Liberal Ecclesiology Tom Greggs,2021-12-16 This volume uncovers Barth s and Bonhoeffer s influences on one another and reads them side by side revealing the insights both theologians bring to today s secular and religious context Greggs addresses the meaning and the extent of salvation God s relation to time and eternity sin and confession and inter faith dialogue for a church that critiques its own practice of religion This is a lively exploration of the implications of two great theologians work for a completely secular and religious world *Spectrum* ,2005
