Universal Citation Guide Aall Publications Series:

Universal Citation Guide, 2014 Because of the many changes in the way information is accessed from a variety of formats and platforms the need for universal citation systems is even greater than a decade ago when the last edition was published This new edition has been made easier to use to smooth the transition as courts states and journals adopt the system It contains a reprint of Universal Citation and AALL A White Paper which gives an in depth treatment of the history of universal citation and describes how a few of the states have implemented such systems rules for judicial opinions constitutions statutes administrative decisions and regulations court rules and law reviews which have been clarified and standardized with additional examples to help demonstrate how the rules are applied and appendices of recommended abbreviations which have been updated and made easier to navigate Publisher **Universal Citation Guide** American Association of Law Libraries. Committee on Citation Formats, 2004 consists of chapters on the recommended citation of judicial opinions constitutions statutes court rules administrative regulations and decisions and law reviews There are also appendices of recommended abbreviations the UCG is specifically intended to complement but not replace existing legal citation manuals i
