University of Nebraska-Omaha Football Darren Ivy, 2015 From its inaugural season in 1911 through its final season in 2011 the University of Nebraska Omaha football team always faced an uphill struggle in terms of resources The program reached a pinnacle in 1954 with its lone unbeaten season Many other teams and individuals also found great success winning conference titles and bowl games and moving onto professional careers Just because the school no longer offers football it does not mean that the thousands of men who played for the Mavericks from 1971 to 2011 the Indians from 1939 to 1971 and the Cardinals and the Maroons before should not be remembered and honored for the years they poured their hearts and souls into the Omaha football program Women's American Football Russ Crawford, 2022-11 Tackle football has been primarily viewed as a male sport but at a time when men's participation rates are decreasing an increasing number of women are entering the gridiron and they have a long history of doing so Women's American Football is a narrative history of girls and women participating in American football in the United States since the 1920s when a women's team played at halftime during an early NFL game The women's game became more organized in 1974 when the National Women's Football League was established with notable teams such as the Dallas Bluebonnets Toledo Troopers Oklahoma City Dolls and Detroit Demons Today there are two main professional leagues in the United States the Women's Football Alliance with nearly seventy teams and the Women's National Football Conference with eighteen in addition to a number of smaller leagues The National Association of Intercollegiate Athletics and the NFL have recently begun sponsoring flag football teams at the college level and the game is growing for high school girls as well In 2021 more than two thousand girls played on mostly boys teams and there are currently four all girls leagues in the United States and Canada in Manitoba Utah Indiana and New Brunswick In addition to the rapid growth of women playing football there have been advancements in other areas of the game Beginning with Jennifer Welter in 2015 several women have earned positions coaching the professional game In 2020 ESPN aired *Born to Play* a documentary on the Boston Renegades the 2019 champion of the Women's Football Alliance Based on extensive interviews with women players and focusing closely on leagues teams and athletes since the passage of Title IX in 1972 Russ Crawford illuminates the rich history of the women who have played football breaking barriers on and off the field
