Critique of Judgement Immanuel Kant, 2007-06-14. Beauty has purport and significance only for human beings, for beings at once animal and rational. In the *Critique of Judgement* (1790) Kant offers a penetrating analysis of our experience of the beautiful and the sublime, discussing the objectivity of taste, aesthetic disinterestedness, the relation of art and nature, the role of imagination, genius, and originality, the limits of representation, and the connection between morality and the aesthetic. He also investigates the validity of our judgements concerning the apparent purposiveness of nature with respect to the highest interests of reason and enlightenment. The work profoundly influenced the artists and writers of the classical and romantic period and the philosophy of Hegel and Schelling. It has remained a central point of reference from Schopenhauer and Nietzsche through to phenomenology, hermeneutics, the Frankfurt School, analytical aesthetics, and contemporary critical theory. J. C. Meredith's classic translation has been revised in accordance with standard modern renderings and provided with a bilingual glossary. This edition also includes the important First Introduction that Kant originally composed for the work. Max was sure of it. Three years had passed since Haitian billionaire Allain Carver's five-year-old son was abducted. Why bother now? The huge bounty and the resources of the most powerful white family in Haiti hadn't turned up a lead. Sure, Max had been the best detective in Miami once. But that was eight years back. Before he served time for killing a pair of junkie child murderers. Before his wife Sandra died. Plus, he'd heard what had happened to the other P.I.s sent to Haiti before him: all dead, or their lives permanently screwed up without ever getting close to finding Charlie Carver. But with nothing left to lose, and for all that money, Max does go down there. The talk of voodoo and black magic is nothing compared to the haunting quiet of his own empty house. What Max doesn't count on is the depth of corruption, manipulation, and greed. Haiti breeds in its inhabitants a murky evil worse than death, which can easily swallow a man whole, especially a troubled man like Max Mingus. When the trail to Charlie Carver points to a local myth, Mr. Clarinet, a spirit figure who for decades is said to have been tempting children away from their families, could the truth be even more shocking than the legend? Max's job suddenly isn't all about finding the boy, his killers, or the money; it's

about just staying alive **The English Catalogue of Books** ,1876 **Voodoo Eyes** Nick Stone,2011-05-26 Meet the man with the voodoo eyes Solomon Boukman He d used voodoo black magic and extreme violence to control his people and to keep anyone who ever heard his name in a state of fear He d zombified his enemies with potions and hypnosis and used them as his very own suicide killers Some said he was the earthly incarnation of Baron Samedi the voodoo god of death others said he was The Devil incarnate Meet his nemesis For private eye Max Mingus Boukman has been the cause of unthinkable personal tragedy and professional torment And when he uncovers a labyrinthine web of death and deceit stretching from the Miami jetset to sinister Cuban slums the voodoo eyes of Boukman are never far from his mind But how can Mingus stop him without losing his life and the lives of those he loves Meet a thriller that will haunt your dreams **Vudú** Nick Stone,2007
