When You Don't Like Your Story Sharon Jaynes, 2021-01-26 Bestselling author cofounder of Girlfriends in God and writer for Proverbs 31 Ministries Sharon Jaynes reveals the secret to living a better story understanding that the worst parts of our past are the very things God uses most Many people don't like the story God is writing in their lives The mistakes failures tragedies and circumstances outside of our control linger in our minds and hold us back How do we come to grips with the pieces of our stories that we wish weren't there How do we silence the pain of what has been done to us and the shame of what we've allowed to be done through us In *When You Don't Like Your Story* Bible teacher Sharon Jaynes shows us how God untangles our most painful emotions with the fingers of grace putting his redemption on display In the hardest parts of our narratives we get to see God's greatest work and this changes the ending of our stories As we overcome shame offer forgiveness and use our stories to help others we find freedom from the past and learn to live in the restoration of the present

A Cry For Relief David A Wheeler, 2022-11-03 Suffering is an ugly word especially when it's an undisputable part of your own life It can literally destroy your mind body and spirit It can control you and turn you into someone you have never been A loving spiritual minded person can become a crooked human being bitter desolate wretched and hopeless but still a human being Suffering transforms our attitude about ourselves Instead of us being self confident and outgoing it can humble us to the point of wanting to die It removes the blinders to our vulnerability It makes us fragile and weak and it can often bring out the worst in us A crooked tree is still a tree Not every tree is tall and straight nor is any person exempt from pain and suffering A tornado can take a strong straight tree and turn it into a pile of rubble with one gust Just so none of us expect to experience the pains of loss disability and suffering that may come without warning but in a split second changes the course of the rest of our lives Even the strongest and most godly of human beings can reach a breaking point when the tragic events of life crush their human spirit However one of the lessons that I have learned through this experience is that God is not finished with me yet I can find strength in my relationship with him and discover that I still have gifts to offer him I

must remember that God blesses even the crooked tree with what it needs to continue living When I first wrote this book I had been in the ministry for thirty years Now it has been more than fifty five years It is proving to be a practical tool for training and use in caregiving rather than a theory or simple narrative A Cry for Relief will tell you my story and the process of healing through the blessings of spiritual growth and tender caregiving *Little Strength, Big God* Debbie W. Wilson,2023-09-05 Discover timeless truths to slay your giants Like the faithful in Hebrews 11 you can become mighty in battle Loss and intimidation are not new to God s people What if you had to choose between Drowning your baby or letting your worst enemy raise him Bowing before an idol or being thrown into a fiery furnace Compromising your convictions or being tossed to the lions Living in fear or leading ill equipped volunteers against an intimidating enemy The believers who faced these decisions felt their limitations Yet they found strength in the Lord You can too Using the men and women highlighted in the last half of Hebrews 11 Little Strength Big God will help you turn your weaknesses into strengths to accomplish God s purpose in your life When trouble attacks you don t need a bigger God you need clearer vision Discover the transforming power of a God greater than your Goliaths and live strong now *Hope Beyond an Empty Cradle* Hallie Scott,2021-06-08 Tens of thousands of women and families every year lose a baby to miscarriage stillbirth or infant death The statistics are sobering between 10% and 20% of pregnancies end in miscarriage 1% in stillbirth and nearly 23 000 babies die before their first birthday but statistics alone miss the depth of the hurt Each loss is personal and devastating No woman is prepared to lose a baby and caregivers are often unaware of how best to help In Hope Beyond an Empty Cradle therapist Hallie Scott first shares her own story as a mother whose only child Abigail was stillborn and then leads readers through a healing process that makes space for heartbreak despair guilt questions and anger Life is never the same in the wake of the loss but a new normal is possible The book will be a welcome resource for families who have lost a child as well as for those seeking to care for them in their traumatic grief **W.A.R. (Women in Abusive Relationships)** Dr. V. W. Taylor PhD,2022-05-03 Women in Abusive Relationships WAR This is the perfect name because women in abusive relationships are essentially in a WAR with the enemy every day Just like any war there are good days and bad days but it is a constant fight for survival This is a battle women go through every morning when they wake up until the time they lay their heads down to sleep at night Each WAR is different whether it is neglect the spouse is not home much and leaves the woman open and vulnerable physical the spouse puts his hands on the woman throws objects at or in the direction of the woman emotional the spouse constantly puts down the woman spouse is very controlling or a combination All of them end up being a spiritual battle Sibling of an Alcoholic Annay Auth,2025-08-26 The author doesn t often talk about her sister s addiction not because she is ashamed but because the word addiction doesn t even begin to capture the reality It s just one word and it can t hold the weight of the constant anxiety the nights spent bracing for a phone call that might never come or worse the one that finally does It doesn t reflect the heartbreak of watching a loved one lie relapse and unravel while the family tries to hold

on sometimes to hope sometimes to each other Addiction isn't just a diagnosis It's the ER visits that become routine the unpredictable outbursts that shatter any sense of safety and the helplessness that lingers long after the chaos ends It's the pain carried silently because the reality is too complex too raw to explain This book is her attempt to put words to what so often feels unspeakable It is for every sibling who has walked this painful road who has watched someone they love disappear into a bottle and who has been left to pick up the pieces For those who have felt alone in that grief in that rage in that love that hurts this is for them They are not alone I'd Punch a Lion in His Eye for You Ben Wolf, 2015-09-30 How much do you love your child Would you jump in front of a roaring lion to keep them safe Would you punch that lion in his eye Award winning author Ben Wolf presents this legendary story of a father's love for his son You'll laugh you'll cry you'll punch a lion in his eye Get it now
