Through The Eyes Of Jesus Volume :

Through the Eyes of Jesus C. Alan Ames, 1996-04-20 The Lord Jesus shows Alan parts of His life as He walked through the Holy Land He shows Alan events that happened discussions between the Lord and the Apostles and He allows Alan to perceive some of His thoughts The words are elegant yet simple so that all may understand the profound messages that the Lord gives Through the Eyes of Jesus C. Alan Ames, 1998-06 Volumes One Two and Three are together in this beautiful hardcover A book that has and continues to move hearts **Through the Eyes of Jesus** Ames, 2011-09-01 This hard cover book contains Volumes 1 2 and 3 of Through the Eyes of Jesus and would make an ideal gift for anyone who wishes to learn more about the down to earth interaction of Jesus with His Disciples on the roads to Jerusalem Are the events and details of Jesus life told here true I got my yes answer as I compared them with the life of Jesus as I had learned it from the gospel church teaching and tradition To imagine the events told here without an interior vision would be as easy as writing the gospels without Divine assistance Richard T McSorley S J Theologian **A History of the Quests for the Historical Jesus, Volume 1** Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates *An Exposition of the Old and New Testament. In Six Volumes ... By Matthew Henry ... Vol. 1. [-6.]*, 1790 Sight and the Ancient Senses Michael Squire, 2015-12-22 It is to Greek critical thinking about seeing that we owe our conceptual framework for theorizing the senses and it is also to such thinking that we owe the lasting legacy of Greco Roman imagery Sight and the Ancient Senses is the first thorough introduction to the conceptualization of sight in the history visual culture literature and philosophy of

classical antiquity Examining how the Greeks and Romans interpreted what they saw the collection also considers sight in relation to the other senses This volume brings together a number of interdisciplinary perspectives to deliver a broad and balanced coverage of this subject Contributors explore the cultural social and intellectual backdrops that gave rise to ancient theories of seeing from Archaic Greece through to the advent of Christianity in late antiquity This series of specially commissioned thematic chapters demonstrate how theories about sight informed Graeco Roman philosophy science poetry rhetoric and art The collection also reaches beyond its Graeco Roman visual framework showcasing how ancient ideas have influenced the longue dur e of western sensory thinking Richly illustrated throughout including a section of color plates Sight and the Ancient Senses is a wide ranging introduction to ancient theories of seeing which will be an invaluable resource for students and scholars of classical antiquity
