Throwing The Elephant Zen And The Art Of Managing Up:

Throwing the Elephant Stanley Bing,2009-03-17 Stanley Bing follows his enormously successful What Would Machiavelli Do with another subversively humorous exploration of how work would be different if the Buddha were your personal consultant What would the Buddha do if he had to deal with a rampaging elephant of a boss every day That is the premise of Stanley Bing s wickedly funny guide to finding inner peace in the face of relentlessly obnoxious huge and sometimes smelly bosses Taking the concept of managing up to a new cosmic plateau Bing urges no less than a revolution of the spirit in the American workplace turning overwrought oppressed stressed out employees into models of Zen like powers of concentration able to take their elephant like bosses and grey lumbering companies and twirl them around the little finger of their consciousness In Bing s unique tradition of social criticism cum business self help *Throwing the Elephant* presents Four Truths or possibly Five a Ninefold Path and one useful hilarious guide to workplace sanity success and enlightenment that surpasses all understanding survival *Zen Koans, Paradoxical Awakening* Norman McClelland,2021-04-25 What comes to mind when you hear the word koan You probably know koans as paradoxes and you may believe that they are therefore illogical or intellectually inscrutable and therefore not useful to the average person *Zen Koans Paradoxical Awakenings* is the tool you need to correct your perceptions of koans and become aware of the benefits of koan practice Embracing the paradox of the koan can give deeper meaning to life as well as leading to the Buddhist awakening to your real non dual nature With an experienced Zen teacher as your guide you can enter more deeply into the three essentials of Zen great faith great doubt and great determination **Leading Up** Lilya Wagner,2005-10-13 Fundraisers at all levels discover the art of leading up Fundraisers know that in order to be successful in their demanding profession they have to get things done And to get things done they need to exercise leadership from whatever rank or position they hold often from the middle This concept is called leading up Recognizing that all fundraisers must be leaders *Leading Up* teaches professionals the skills and traits they need to be successful in their philanthropic roles *Leading Up* centers around author Lilya Wagner s unique model which exemplifies the concept of leading up Here fundraisers will discover how to get things done when they re not in charge how to motivate others when they don t have formal authority how to convince or persuade their colleagues and superiors about their need for action and involvement and how to lead when they re not recognized leaders by virtue of power or position Focusing on problem solving concepts *Leading Up* is packed with thought provoking questions exercises and practical application steps that allow professionals to practice and implement the principles they ve just learned The book also includes inspirational quotes on leadership from recognized and successful professionals and leaders Leadership qualities have to be learned and practiced by all who wish to achieve success in fundraising whether boss or not *Leading Up* provides readers with the groundwork they need to not only build up their causes and organizations but also influence a professional field that is still developing **EBOOK: Organisational Behaviour, 6e** SINDING,2018-02-28 This sixth edition of

Organisational Behaviour provides a thorough introduction to the field for students and aspiring practitioners alike. Comprehensively revised to reflect the most recent developments, this text also retains its strong research foundations. Balancing a psychological approach with social perspectives covering the effects of personality, emotions, values and group dynamics on an organisation, this book also has a strong business focus, emphasising the role of an organisation's leaders, structure and politics on its overall behaviour. Key features: New end of chapter case studies for each chapter with relevant examples from across the globe featuring companies such as United Airlines, Zara and HP covering the chapter's main topics; applying the key theories and emphasising what has been learnt; New chapter on organisational architecture combining and refining two previous chapters on organisational structure and organisational design; New IRL logos to highlight sections that can be seen and applied directly to real life situations; OB in Practice mini cases throughout the chapters have been revised and updated to provide concise international examples enabling the reader to apply theories learnt into practice; Reorganised chapter structure to ensure greater synergy between chapters and improved flow of knowledge throughout the text; Available for the first time with Connect, our highly reliable, easy to use digital teaching and learning solution that embeds learning science and award winning adaptive tools to improve student results; Also with access to SmartBook, our adaptive reading study and practice environment specific to the book's content.

Cool-Time: A Hands On Plan for Managing Work and Balancing Time Steve Prentice, 2015-03-08 In the real world of interruptions, e-mail and time pressure, few people are able to organize their work in isolation from everything else. In fact, effective time management is more about human relationships and expectations than it is about making lists. Cool Time is a complete approach to managing time and defending it from the endless demands and expectations of others in the workplace and at home. It contains practical, personal techniques that will help you apply your new skills to real world situations: holding time effective meetings, dealing with distractions, learning to focus, coping with unrealistic workloads, planning for the unexpected, negotiating with your manager over conflicting tasks and using technology effectively. It includes suggestions on non work activities including healthy sleep which make this a complete approach to managing time and balancing life. A complete approach to managing time priorities and people in an increasingly fast paced world.
