Odd God Ed Meshler, 2007-07 For My thoughts are not your thoughts neither are your ways My ways saith the LORD Isaiah 55:8 KJV How many times have you encountered difficult events or situations shaken your head and whispered God just doesn't make sense On the surface it certainly seems that way He is a peculiar God odd in many ways But when we dig deeper we also find a sinless and exhilarating God From the days of Abel through today He baffles us teaches us and amazes us with real life lessons from real life people The Christian life is an adventure and God is anything but boring Gaining his formal and spiritual education first from Liberty University and later from Liberty Theological Seminary Ed Meshler is a native North Carolinian Robin's husband Sam and Ginger's dad a Bible teacher a writer a reader and a bit of a ragamuffin Family friends books music art sports youth camps and the love of Trinity God fill the rest of his time Well all that and an ever handy bottle of cold and refreshing sparkling water www.edmeshler.com

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
