Encyclopedia of African American Literature: O-T Hans A. Ostrom, J. David Macey, 2005. Designed to meet the needs of high school students, undergraduates, and general readers, this encyclopedia is the most comprehensive reference available on African American literature from its origins to the present. Other works include many brief entries or offer extended biographical sketches of a limited selection of writers. This encyclopedia surpasses existing references by offering full and current coverage of a vast range of authors and topics. While most of the entries are on individual authors, the encyclopedia gathers together information about the genres and geographical and cultural environments in which these writers have worked and the social, political, and aesthetic movements in which they have participated. Thus, the encyclopedia gives special attention to the historical and cultural forces that have shaped African American writing. Publisher: **R & R** Ricky

Sanderson, 2014-06-06. Relationships aren't made in heaven, and God doesn't send a man or a woman your way like they magically fall out of the sky. There are no secret formulas to finding the perfect mate; one thing is for certain: God never meant for men and women to be alone in this world. One of God's plans for man is that men and women are to be mated. Genesis 2:18 tells us, "And the LORD God said, 'It is not good that the man should be alone; I will make him a help meet for him.' Knowing just that, you should give anyone the hope of finding Mr. Right and Mrs. Forever. After stopping trying to act a certain way and thinking like the opposite sex because no one can tell you what a person is thinking, the best relationships are those built on principles of respect, and so much more. Remember this: Women are not objects, and men are not sugar daddies. Love is out there waiting for you. Go find it. **Thuggz Valentine**

Wahida Clark, 2015-06-30. This is the first Street Lit book to be written in reverse. Thuggz Valentine is the story of a modern-day Bonnie Clyde, natural-born killers who go out in a blaze of glory after taking on the city's police force. Step by step, readers relive Ebony and Bless's last day together, Valentine's Day. The day, however, starts nothing like it ends, and as time goes back hour by hour, the two lovers are unable to avoid destiny. Fate brings them together in a most bizarre way, and the couple realizes the day is not about winning; it's about embracing the moment, no matter the outcome. Thuggz Valentine is the story of a ghetto love doomed from the beginning but definitely worth the trip to Hell. Every Thug Needs a Lady - Commissary Edition
