Thurgood Marshall Michael D. Davis, Hunter R. Clark, 1992 Biography of Supreme Court Judge Marshall chronicling his life and views on sensitive political issues Laughing at the Gods Allan C. Hutchinson, 2012-02-20 Any effort to understand how law works has to take seriously its main players judges Like any performance judging should be evaluated by reference to those who are its best exponents Not surprisingly the debate about what makes a great judge is as heated and inconclusive as the debate about the purpose and nature of law itself History shows that those who are candidates for a judicial hall of fame are game changers who oblige us to rethink what it is to be a good judge So the best of judges must tread a thin line between modesty and hubris they must be neither mere umpires nor demigods The eight judges showcased in this book demonstrate that if the test of good judging is not about getting it right but doing it well then the measure of great judging is about setting new standards for what counts as judging well The Supreme Court A-Z Kenneth Jost, 2013-11-26 This comprehensive alphabetical encyclopedia of more than 300 easy to read entries is the first resource for anyone who wants reliable information or background material on the significant decisions of the Supreme Court the history of the Court the justices every justice is profiled the powers of the Court and how the institution has evolved from its origins to the present Outstanding Academic Book Thurgood Marshall Mark Rowh, 2002 Traces the life accomplishments and legacy of the civil rights attorney who became a prominent Supreme Court Justice **People's Lawyers** Diana Klebanon, Franklin L.
