Earthquake in Haiti Miriam Aronin,2010-08-01 On January 12 2010 the world of the small Caribbean island nation of Haiti was shaken apart All aspects of daily life from clean water and food to having shelter were turned upside down by one of the most devastating disasters in history This book is an account of the moment of the disaster and all that followed including the large and small acts of kindness made around the world to meet the desperate needs of the earthquake s victims Earthquake in Haiti includes first person accounts of the tragedy A man named Wismond for example who was trapped beneath 30 feet of rubble for more than 11 days recounts what it was like screaming and

knocking for help for so long that he almost gave up hope until his brother who had escaped the building unharmed heard him The book also covers fund raising efforts to help Haiti the kind of relief work being done on the island and the reaction to the disaster by Haitians living in the United States In all this is a life affirming account of the human instinct to help each other in the darkest of times **Haiti** ,2010 **Time Earthquake Haiti: Tragedy and Hope** New York Time Incorporated,Time Magazine Editors,2010 Tragedy often has a way of visiting those who can bear it least And on January 12 2010 this is exactly what happened to Haiti the poorest nation in the Western hemisphere At 4 53 PM on that day an earthquake measuring 7 0 on the Richter scale hit a point just southwest of the capital city of Port au Prince In a just a few terrifying minutes a vibrant city was devastated and tens of thousands died Immediately the scale of the tragedy was apparent a nation that was already so often on its knees had been knocked to the ground In this book TIME magazine assembles words and pictures to provide a harrowing and sometimes heart breaking account of the earthquake the devastation it left behind and the struggle that followed to save lives and put a shattered world back together Combining stories of tragedy and chaos desperation and miraculous rescue it offers a powerful vision of one terrible day and the difficult days that followed as the world responded with an outpouring of aid that overwhelmed Haiti s blocked roads damaged runways and barely functioning national government Dozens of vivid photographs document the pain and grief of the victims and the heroism of the rescuers Because those needs are so great TIME will donate a share of all proceeds from this book to Haitian relief efforts Time ,2010 *Help and Hope* Gopp, Amy,Gilvin, Brandon L.,2014-04-30 Are you and your congregation ready to serve your neighbors when disaster strikes Storms earthquakes violence it seems each week brings catastrophe to a different community When that catastrophe arrives people of faith can make a big difference just as they did in Joplin Newtown Haiti and countless other scenes of suffering Help and Hope shares their stories to show why disaster preparedness is a sacred calling and gives you the tools to be healers places of refuge enablers of communication whatever is needed after disaster hits your town **Backpacks Full of Hope** Eduardo Aldunate,2010-03-03 Backpacks Full of Hope The UN Mission in Haiti describes the experience of a Chilean general as Deputy Force Commander of the United Nations Stabilization Mission in Haiti MINUSTAH during the particularly turbulent year September 2005 to September 2006 It details the realities of commanding more than 7 000 men from eleven countries while working to fulfill the mandate of the United Nations in Haiti to ensure a secure and stable environment to support the transitional government in a democratic political process and to promote and protect the human rights of the Haitian people Despite the enormous challenges of a complex scenario that included local violence and extreme poverty the UN command succeeded in its mission stabilizing the local situation and paving the way for Haiti to hold a presidential election Originally published as Mision en Haiti con la mochila cargada de esperanzas this work provides a new audience with insight on the peace operation and sheds light on the long term endeavour of civilians military and local and international agencies to support Haiti s path to prosperity Co
