Summary of The Power of Habit by Charles Duhigg QuickRead, Lea Schullery, An inside look at how the human brain influences our everyday decisions and how we can unlock our potential and adapt our habits to enact positive change A graduate of both Yale and Harvard and winner of the Pulitzer

Prize Charles Duhigg introduces how you can overcome the power of habit in his New York Times bestseller *The Power of Habit*. With insight, experience, and research, Duhigg teaches us how to adapt our habits, which make up 40 percent of what we do every day. 40 percent of our day is spent on behaviors which are normally unconscious. Now imagine the potential of putting that 40 percent of your behavior under your control, and the opportunities become endless. Duhigg believes that changing one small habit can have a snowball effect on the rest of your decisions, leading to endless positive improvements in your life. Through willpower and belief, you can take the necessary actions to adapt your habits and be on your way to living a better, positive life. Do you want more free book summaries like this?
