Tutankhamun and Carter Rogerio Sousa, Gabriele Pieke, Tine Bagh, 2024-08-15 First scholarly multi disciplinary re assessment of Howard Carter s discovery and excavation of Tutankhamun s tomb and the impact of the find on our understanding of the material culture of Ancient Egypt The discovery of the tomb of Tutankhamun in 1922 stands out as one of the most important finds of modern archaeology revealing an enormous wealth of objects encapsulating techniques vestiges of uses and re uses of materials as well as unrivalled clues regarding the complex set of beliefs associated with the pharaonic funerary material culture Once cleared from the tomb these objects have captivated the world with their irresistible charm and beauty ending up playing a role in contemporary popular culture However it seems that such magnetism rather hindered than facilitated the scholarly study of the find One hundred years after the discovery of this magnificent tomb most of its objects remain insufficiently studied to this day This volume aims to show how it remains challenging to study Tutankhamun s objects gathering a collection of studies authored by leading scholars on conservation materials funerary beliefs as well as the reception of motifs and the impact of the discovery Through these studies it becomes clear how ancient objects can help us reconstruct the complex fabric of the ancient Egyptian society and how they keep interacting with modern audiences

The Unknown Tutankhamun Marianne Eaton-Krauss, 2015-12-17 Following the discovery of Tutankhamun s tomb in 1922 the story of the boy who became Pharaoh died young and was buried in splendor at the height of Egyptian civilization captivated generations But there exists a wide discrepancy between that saga and what scholars have learned in the past few decades about the king s reign and its major significance for the history of Egypt Marianne Eaton Krauss a leading authority on the boy king and the Amarna Period guides readers through the recent findings of international research and the relevant documentation from a wide variety of sources to create an accessible and comprehensive biography Tracing Tutankhamun s life from birth to burial she analyzes his parentage his childhood as Prince Tutankhaten his accession and change of name to Tutankhamun his role in the restoration of the traditional cults and his own building projects his death and burial and the attitudes of his immediate successors to his reign Illustrated with color and
