Tweaking The Dream A Crystal Meth True Story:

Tweaking the Dream Clea Myers, 2009-03 Clea Myers a young English woman comes to America to live the dream but experiences the nightmare She goes from an Ivy League College to Los Angeles Women s Penitentiary in 3 years emaciated and addicted to crystal meth How could things go so wrong and in such a short space of time Myers shares her descent into the hell of crystal methamphetamine dependence Her story is of An English girl from a privileged background whose addiction journey brings her from an Ivy League College to Los Angeles Women s Penitentiary in only three years emaciated and addicted to crystal meth Myers description of her rapid demise is a sometimes uncomfortable read as she holds nothing back The lights of Hollywood twinkled briefly but once introduced to crystal meth she became addicted Dumpster diving became a regular pastime grovelling in large rubbish containers diving for articles of value or fascination to her hugely disturbed mind She was reduced to an animal existence surrounded by dangerous and sometimes violent people Arrested and jailed she hit rock bottom and was offered a chance to leave LA immediately or stay in the drug offenders Programme Helped by a family member she returned to England still unable to stop completely Finally she did get help and discover a recovery path which combined her buddhist faith and reassures her relationship with the 12 step programme Crystal meth in England has been reported only on the gay club scene Part of the reason Myers wrote this book is to warn young people of its dangers This book could be well used as part of a schools drug education programme Review from ADDICTION TODAY Magazine *Tweak* Nic Sheff, 2012-12-11 THE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET It was like being in a car with the gas pedal slammed down to the floor and nothing to do but hold on and pretend to have some semblance of control But control was something I d lost a long time ago Nic Sheff was drunk for the first time at age 11 In the years that followed he would regularly smoke pot do cocaine and ecstasy and develop addictions to crystal meth and heroin Even so he felt like he would always be able to quit and put his life together whenever he needed to It took a violent relapse one summer to convince him otherwise In a voice that is raw and honest Nic spares no detail in telling us the compelling true story of his relapse and the road to recovery He paints an extraordinary picture for us of a person at odds with his past with his family with his substances and with himself *Tweak* is a raw harrowing and ultimately hopeful tale of the road from relapse to recovery and complements his father s parallel memoir Beautiful Boy Praise for Nic Sheff Difficult to read and impossible to put down Chicago Tribune Nic Sheff s wrenching tale is told with electrifying honesty and insight Armistead Maupin *Tweak* Nic Sheff, 2018-10-04 *Tweaked* Patrick Moore, 2006 Traces the author s twenty year stint as crystal meth addict from his lonely childhood in Iowa with his grandmother an alcoholic artist to his wild acid trips and experiences navigating through the dark underworld of cooks users club kids dealers and other unforgettable characters Original **Tweakers** Frank Sanello, 2005 Crystal methamphetamine is reaching epidemic levels among gay men in the US Tweakers crystal addicts get a

would never do when her addiction got through with her there was almost nothing left on that list Her goal was to be free and happy instead she got locked into a cage of internal prison grappled and maimed by the mangy claws of addiction and its cunning baffling and powerful ways As a manipulative lying junkie who was living with an abusive meth supplier Christine never thought she d get out alive at least that s what she was hoping for but then the day of redemption came A true fork in the road Was she going to kill the man who had lost her snake Bella the one pure and good thing she had left in her life and happily go to jail knowing that justice had been served or was she going to go to detox where a bed and a new life was waiting for her She had the most important decision of her life in front of her life or death Death was easy after all she had been choosing death drugs and dying for over 15 years but life What would that look like Who would she be on the other side of that decision Did she want to live or even have anything to live for Special features of this book A detailed account of what meth is what s in it how Christine did it and the long term damage How abuse and the sexual assault changed her A chapter specifically for parents who have a child lost in addiction How to cope what to do and reassurance that its not your fault How faith in a Higher Power meetings a sponsor and the 12 Steps changed her life Exclusive to this book a never seen before look into the mind voice and ravaging nature of her addiction Christine has many gifts and rewards in her life today but would it surprise you to know that after 10 years of clean time her life can be almost as challenging as when she was in active addiction She is now faced with the raw real nature of life on life s terms with nothing to hide behind anymore Will she make it another day or is there a chance she could go back to her old ways to numb the pain
