Two Messiahs Jeffrey Jay Morton, 2011-04-06 Seasoned apologist Jeff Morton sets the stage for the Jesus of Christianity and the Jesus of Islam to walk and talk with each other on the Emmaus Road As they get closer to Jerusalem their real differences begin to emerge *The Incarnate Christ and His Critics* Robert M. Bowman Jr., J. Ed Komoszewski, 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne *The Incarnate Christ and His Critics* engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ Evangelical Christian Responses to Islam Richard McCallum, 2024-02-08 Do Christians and Muslims worship the same God Who was Muhammad How does the Israeli Palestinian conflict affect Christian Muslim relations This is a book about Evangelical Christians and how they are answering challenging questions about Islam Drawing on over 300 texts published by Evangelicals in the first two decades of the twenty first century this book explores what the Evangelical micro public sphere has to say about key issues in Christian Muslim relations today From the books they write the blogs they post and the videos they make it is clear that Evangelical Christians profoundly disagree with one another when discussing Islam Answers to the questions range from seeing Muslims as the enemy posing an existential threat to Christians through to welcoming them as good neighbours or even as close cousins *The Cross of Christ* W. Richard Oakes Jr., 2020-10-06 *The Cross of Christ* Islamic Perspectives takes an in depth look at all of the classical Muslim scholars considered to have affirmed Jesus crucifixion Each chapter provides the important historical and intellectual context for the commentators As well critical new translations of key texts are provided offering important access to vital documents The author argues that rather than affirming the historicity of the crucifixion the Isma ilis tend to assume its historicity in order to advance important Isma ili doctrines The author also contends that the commentators who explored ways to affirm the crucifixion nonetheless made extensive use of traditional substitution legends that deny the crucifixion In order to orient the reader the book starts by introducing the reader to the Jesus of the Qur an It then compares Him to the Jesus of the New Testament and the Jesus of para biblical literature Upon this Qur anic skeleton the author layers a myriad of details found in seventeen works of classic

The Islamic Jesus MAXWELL. SHIMBA, 2025-01-25 The Islamic Jesus The Islamic Jesus by Dr Maxwell Shimba explores the identity of Jesus Christ as presented in Islamic theology versus the Jesus of Christian faith The book delves into one of the most critical theological debates between Christianity and Islam the distinction between Jesus Christ the Son of God in Christianity and Isa bin Maryam a prophet in Islam Through a comparative analysis of the Quran and the Bible Dr Shimba highlights the theological historical and doctrinal differences that define Jesus in these two major religions The author examines the Quranic portrayal of Isa bin Maryam and its development within the historical and cultural context of Muhammad s time He argues that Isa is distinct from the biblical Jesus being presented as a prophet subordinate to Muhammad and lacking the divinity central to Christian belief By contrasting Isa s role in Islam with that of Jesus in Christianity Dr Shimba uncovers the foundational

divergences in how the two faiths perceive his mission and purpose The book critically analyzes the Quranic denial of Jesus crucifixion and resurrection as found in Surah An Nisa 4 157 158 and contrasts this with the New Testament s affirmation of these events as the cornerstone of Christian faith Dr Shimba demonstrates how this fundamental difference shapes the doctrines of both religions especially regarding salvation and redemption Dr Shimba also addresses the Quran s assertion that all prophets including Jesus were Muslims who preached Islam He challenges this claim arguing that the biblical Jesus teachings were rooted in the Jewish tradition and fulfilled the Old Testament prophecies establishing a new covenant through his death and resurrection The book explores the implications of these theological differences for interfaith dialogue Dr Shimba asserts that the Islamic portrayal of Jesus diminishes his central role in Christianity and undermines the gospel s message of grace and redemption He provides historical and scriptural evidence to defend the biblical Jesus as a figure whose identity cannot be reconciled with the Quranic Isa In addition The Islamic Jesus examines the contemporary consequences of Islamic theology on the perception of Jesus in Muslim Christian relations Dr Shimba highlights how misunderstandings about Jesus identity have fueled theological and cultural divides while offering practical insights for fostering constructive dialogue based on clarity and compassion The book concludes by affirming the uniqueness and divinity of Jesus Christ presenting him as the true Messiah and Savior of the world Dr Shimba s rigorous analysis and balanced approach make The Islamic Jesus an essential resource for anyone seeking to understand the profound differences between Christianity and Islam and their implications for faith theology and interreligious engagement
