Two Weeks In Another Town:

Two Weeks in Another Town Irwin Shaw, 2013-04-16 DIVA struggling actor's last chance becomes an unforgettable Roman holiday divDIV World War II derailed John Andrus's acting career Marred by a facial scar and burdened by a new family Andrus works for NATO in Paris A producer from his past shows up with an attractive acting job involving two weeks in Rome and a hefty salary How can he pass it up divDIV divDIV In Rome Andrus quickly realizes that the job is not at all what he expected Bounced between movie sets directors producers and women he grows more uncertain of his future with each passing day divDIV divDIV This ebook features an illustrated biography of Irwin Shaw including rare images and never before seen documents from the author's estate div *The Death of Classical Cinema* Joe McElhaney, 2012-02-01 The Death of Classical Cinema uncovers the extremely rich yet insufficiently explored dialogue between classical and modernist cinema examining the work of three classical filmmakers Alfred Hitchcock Fritz Lang and Vincente Minnelli and the films they made during the decline of the traditional Hollywood studio system Faced with the significant challenges posed by alternative art cinema and modernist filmmaking practices in the early 1960s these directors responded with films that were self-conscious attempts at keeping pace with the developments in film modernism These films Lang's *The Thousand Eyes of Dr Mabuse* Hitchcock's *Marnie* and Minnelli's *Two Weeks in Another Town* were widely regarded as failures at the time and bolstered critics' claims concerning the irrelevance of their directors in relation to contemporary filmmaking However author Joe McElhaney sheds new light on these films by situating them in relation to such acclaimed modernist works of the period as Godard's *Contempt* Fellini's *La dolce vita* Antonioni's *Red Desert* and Resnais's *Last Year at Marienbad* He finds that these modernist films rather than being diametrically opposed in form to the work of Hitchcock Lang and Minnelli are in fact profoundly linked to them Vincente Minnelli Joe McElhaney, 2009 This text offers a comprehensive scholarly examination of Vincente Minnelli one of American cinema's central filmmakers The book demonstrates the sustained rigour of Minnelli's vision *A Hundred or More Hidden Things* Mark Griffin, 2010-03-09 He was the acclaimed director of such cinematic classics as *Meet Me in St Louis* *An American in Paris* and *Gigi* and equally well known for his tumultuous marriage to the legendary Judy Garland But to say that Vincente Minnelli's conflicted personal life informed his films would be an understatement As Mark Griffin persuasively demonstrates in this definitive biography of the Academy Award-winning director Minnelli was not only building a remarkable Hollywood legacy but also creating an intriguing autobiography in code Drawing on more than 100 interviews with such icons as Kirk Douglas Angela Lansbury Lauren Bacall Tony Curtis and George Hamilton Griffin turns the spotlight on the enigmatic elegant director revealing long kept secrets at the heart of Minnelli's genius **The Edward G. Robinson Encyclopedia** Robert Beck, 2008-09-16 Edward G Robinson a 1930s cinema icon had an acting career that spanned more than 60 years After a brush with silent films he rose to true celebrity status in sound feature films and went on to take part in radio and television performances then back to Broadway and on the road in

live theatre This work documents Robinson's every known public performance or appearance listing co-workers source material background and critical commentary The entries include feature films documentaries short subjects cartoons television and radio productions live theatre presentations narrations pageants and recordings Also included are entries relating to his life and career ranging from his wives to his art collection **NY Film Bulletin**, 1963 **Things Will Never be the Same** Howard Waldrop, 2007 The only problem with THINGS WILL NEVER BE THE SAME is that it's not nearly long enough Sure sure it's chock full of great stories by the best short fiction writer of his generation modern classics like The Ugly Chickens and Flying Saucer Rock n Roll and Heart of Whitenesse and many more but there are two or three times as many terrific Waldrop stories equally good and sometimes even better that have been left out for want of space There's only one solution Read this book and then go out and track down all of Waldrop's other collections and read them too
