Reclaiming the Author Lucille Kerr, 1992 The recent fiction of Spanish America has been widely acclaimed for its experimental and revolutionary qualities In *Reclaiming the Author* Lucille Kerr studies the sources of power of this newly emergent literature in her detailed examination of the critical concept of the author Kerr considers how Spanish American narratives raise questions about authorial identity and activity through the different figures of the author they propose These author figures she maintains both complement and contradict notions of authority that exist outside of the world of fiction By focusing on works by well known Spanish American authors Cortázar Donoso Fuentes Poniatowska Puig and Vargas Llosa Kerr shows how the Spanish Americans have formed a radical poetics of the author Her readings demonstrate how exemplary Spanish American texts such as *Rayuela* *Terra nostra* and *El hablador* call into question the author as a unitary or uniform and therefore unproblematic figure Individually and together Kerr's readings reclaim the author as a complex critical concept encompassing diverse conflicting even competitive roles

Understanding modern European and Latin American literature, Contemporary Latin American Literature Susnigdha Dey, 1988 *Rock Aesthetics in Colombian Literature and Culture* David Martinez Houghton, 2024-10-15 *Rock Aesthetics in Colombian Literature and Culture* Writing the Noise explores the presence of a rock aesthetic in the Colombian literary field and how its pivotal role in creating alternative creative expressions that challenge the dominance of tropicality as the prevailing artistic reference More than a musical genre or a cultural industry rock is also an aesthetic a significant social practice that allows one to understand what people consider beautiful or authentic Since its birth in the mid 1950s rock as an aesthetic has expanded worldwide transforming and establishing dialogues with artistic practices such as literature Through an analysis of a series of novels poems and manifestos written from the 1950s to the early years of the twenty first century David Martínez Houghton embarks on a literary musical and historical journey On the way he explores complex phenomena such as urban violence the formation of youth identities the penetration of pop culture national identity discourses and even the social and physical transformation of Colombian cities

Literary Cultures of Latin America, 2004 In three volumes of expert innovative scholarship *Literary Cultures of Latin America* offers a multidisciplinary reference on one of the most distinctive literary cultures in the world In topically arranged articles written by a team of international scholars *Literary Cultures of Latin America* explores the shifting problems that have arisen across national borders geographic regions time periods linguistic systems and cultural traditions in literary history Bucking the tradition of focusing almost exclusively on the great canons of literature this unique reference work casts its net wider exploring pop culture sermons scientific essays and more While collaborators are careful to note that these volumes offer only a snapshot of the diverse body of Latin American literature *Literary Cultures of Latin America* highlights unique cultural perspectives that have never before received

academic attention Comprised of signed articles each with complete bibliographies this unique reference also takes into account relevant political anthropological economic geographic historical demographic and sociological research in order to understand the full context of each community s literature
