Understanding The Exodus And Other Mysteries Of Jewish History:

Understanding the Exodus and Other Mysteries of Jewish History S. B. Segall, 2003 This book describes the origin and evolution of the Jewish religion from the period leading up to the Exodus to the establishment of Jewish kingdoms in eastern and central Europe during the Middle Ages a period of about 2500 years It describes the influence of other religions on Judaism and the influence of Judaism on other monotheistic religions In particular the evolution of Christianity from a Jewish sect to an independent religion is described *THE MYSTERY & HISTORY OF THE JEWISH PEOPLE* SAM OYSTEIN, 2012-02-13 The Jewish people have honored the principles of the Torah for thousands of years Today the Jewish people make up less than 1% of the world's population However their contribution in global affairs is enormous This book presents a unique perspective about Jewish culture and history It sets out to investigate the causes of the success of the Jewish people The History Mystery of the Jewish People unleashes some core elements and aspects of the Jewish society that have enabled Jews to remain at the helm of affairs in professions and institutions for centuries It uses a rationalist approach to go over the history of the Jewish people It examines the individual and collective philosophies that have shaped the thought and mindset of the Jewish people for the past centuries The book undertakes some comparative analysis between the Jewish society and culture and the African society It identifies the equivalents of the Jewish culture in the Sub Saharan African community This piece ventures into elements of Jewish history from Ancient Israel to the Destruction of the Second Temple It gives a vivid account about events that led to the creation of the modern state of Israel This daring quest brings to light some elements of today's society like the root of the War on Terror amongst others The book is a unique narration by an African writer in an African context *The Mystery of Growth, and Other Discourses* Edward WHITE (Minister of St. Paul's Chapel, Hawley Road.), 1867 **Mystery at Corinth Seeking A Jewish Answer** William M. Harmening, 2006-07 In *Mystery at Corinth* William Harmening takes a critical look at the modern charismatic doctrine of tongues against the backdrop of such ancient Jewish writings as the Mishnah and Talmud and the historical record of the first century Jewish synagogue He begins by clearly defining the various doctrines and beliefs that guide the modern Charismatic church on this issue leads us through the historical development of those doctrines and finally utilizing the Rabbinical writings of ancient Judaism provides a new and enlightening exposition of the few New Testament scriptures that mention tongues His thought provoking analysis demonstrates that the tongues of First Corinthians actually predate the New Testament narrative and were employed by the Jews in their synagogue service long before Paul wrote his corrective discourse thus refuting the view of tongues held by the modern Charismatic church For anyone who has struggled to understand this controversial aspect of modern Christian practice *Mystery at Corinth* will serve as an important guide to further research and study *Allusion and Meaning in John 6* Susan Hylen, 2012-02-14 Many interpreters read John 6 as a contrast between Jesus and Judaism Jesus repudiates Moses and manna and offers himself as an alternative In contrast this monograph argues that John 6 places elements of the Exodus
