from a dread of modernity often in response to assault sometimes unwitting sometimes intentional by the mainstream society Armstrong sees fundamentalist groups as complex innovative and modern rather than as throwbacks to the past but contends that they have failed in religious terms Maintaining that fundamentalism often exists in symbiotic relationship with an aggressive modernity each impelling the other on to greater excess she suggests compassion as a way to defuse what is now an intensifying conflict BONUS This edition contains an excerpt from Karen Armstrong s Twelve Steps to a Compassionate Life *Islamic Political Radicalism* Tahir Abbas,2007 A theological sociological anthropological psychological and political science analysis of the causes and consequences of Islamic Political Radicalism *The Anthropology of Religion, Magic, and Witchcraft* Rebecca L.
