Who Makes the Law Timothy D. Cheney, 1998 Who Makes the Law explores who really makes the law in our society Using actual cases it presents the political and societal responses to Court decisions and uncovers a disparity between the theory that the Court is the final say on law and the reality This book provides a foundation for understanding the function and impact of the U S Supreme Court in our lives and how Court opinions both help and hinder the legislative process It demonstrates the strength of the U S Constitution as well as the difficulty of legislating social issues by presenting attempts by Congress to amend the Constitution and write laws in response to actual Court decisions It reveals the evolutionary process of law and the effect of public opinion through the response of the States and Society to Court decisions A valuable book for anyone who wants to understand the interaction of lawmakers public opinion and the U S Supreme Court
