child to be What do I want my child to do Before your children s heads hit the pillow let Jesus be the last thing on their minds Great for families with kids ages 6 to 12 The Living Church ,1907 **Power in the Spoken Word!** Ezekiel Dayo Adetunji,2011-01-25 Do we as human beings truly understand the power of words we are using Do we stop to think about effect of the words we use when we engage in a conversation be it social or in confrontation Do we analyze how the words we use can create an image for ourselves Astonish of good luck marvelous of joy incredible success and fabulous of well being Reading this book will completely change your lifestyles and fetch you compliments from all those around you which will ring in your ears like a gentle melody Power in the spoken word is epitome of generosity with power of positive thinking to give you what is positive thinking What might not work for others because of negative thought might work for you and change your life Using words could be beautiful for a positive effect and could be wonderful for a negative result so before you speak think properly about what you want to say and what effect it could have on others If you think you know how to speak remember that someone knows how to hear you better than what you think You will be in inundated with luck happiness richness of mind success love good luck and fantastic health simply because you are positive The assertiveness of words that come out from your mouth will be a blessing to yourself to your neighbors colleagues and your children When you say good words and speak blessings into your future this might actually bring about good However if you have delusion that someone is cursing you and you believe it even when there is no cause to believe it you might actually meet someone and start fighting just for no reason So whatever you believe will surely come to pass when you dont expect it This book will suggest to you how you should be positive to yourself How to be good not be a Father Christmas To be a good eater not be a glutton To be generous not be selfish To be sexually motivated not be manic To be a friend not an enemy To have a woman not be a womanizer To be straightforward but not be rude If you are dreaming of being promoted at your workplace and when you get to your office and discover there is no news of promotion that is to tell you that you need to put more effort at your workplace change your goodness to betterment and betterment to best At the end by working towards the promotion your dream of being promoted will surely come true This book is all about positive thinking and describes ways in which you will get to where you are going It will suggest to you where you should go and how to get there work harder keep on pressing and not to relent your effort By this you will achieve a goal and reach where you are intending to go in style Ezekiel Dayo Adetunji *Etymological and Pronouncing Dictionary of the English Language, Including a Very Copious Selection of Scientific Terms ... The Pronunciation Carefully Revised by P.H. Phelps* James Stormonth,1890 **Etymological and pronouncing dictionary of the English language ... by James Stormonth** James Stormonth,1892 *Etymological and Pronouncing Dictionary of the English Language* James Stormonth,1879 *Michigan Christian Advocate* ,1893 Luther's Commentary on Genesis Martin Luther,2023-11-16 In Luther s Commentary on Genesis Martin Luther offers a profound theological exegesis of the first book of the Bible intertwining rigorous scriptural analysis with pastoral insight Written in the

early 16th century during the Reformation Luther's commentary reflects his emphasis on justification by faith and highlights God's covenantal relationship with humanity. The text, rich with rhetorical flair, blends academic rigor with a heartfelt tone, making it accessible to both scholars and lay readers alike. Luther's interpretation navigates through Genesis, providing profound reflections on issues such as creation, sin, and divine grace, rooted firmly in the context of his break from the Catholic Church and his quest for theological clarity. Luther, a seminal figure in Protestant theology, was influenced by his own struggles with faith, ecclesiastical corruption, and the desire for reform. His deep understanding of scripture, coupled with his pastoral experiences, provided him with insights that compelled him to engage with Genesis not only as a historical document but as a living text addressing contemporary spiritual crises. His bold stance against doctrinal abuses in the Church fueled his commitment to scriptural integrity, forming the foundation of this commentary. This remarkable work is a must-read for anyone interested in biblical interpretation, Lutheran theology, or the historical context of the Reformation. Luther's insights resonate through the ages, providing contemporary readers with a robust framework for understanding foundational Christian beliefs and the nature of God's relationship with humanity. Whether you are a theologian, a student of religious studies, or simply seeking a deeper understanding of the Bible, Luther's insights will undoubtedly enrich your spiritual journey.
