Unfinished Business What The Dead Can Teach Us About Life:

Unfinished Business James Van Praagh, 2009-05-05 A world famous medium and New York Times bestselling author shares lessons and wisdom from those who have passed on Drawing on more than twenty five years of spirit communication James Van Praagh shares with readers the personal regrets misgivings remorse and most importantly the advice of the dead who have chosen him as a medium These spirits have a great deal to say about what they have learned and discovered on the other side and how we the living can benefit from their experiences Filled with profound shocking and emotional stories this book presents the reader with the practical tools necessary to prevent us from leaving unfinished business behind Topics include emotional baggage reliving childhood dramas the simplicity of the golden rule as well as practical information on how to identify blocks that keep us from forgiving ourselves and each other a step by step guide to spiritual housekeeping and a chapter on how to live life from a place of complete compassion Through the understanding of these spirit communications and by utilizing their wisdom in our daily lives we can take the steps necessary to live a life free of regret and discover the necessary steps to ensure an easy passing from this world to the next It has such a hopeful message Even though he s telling stories of the dead it s really about living your life better and inspiring people to not have unfinished business Jennifer Love Hewitt He helps a lot of people He really is a healer I think he s basically on this earth right now at this time and place to heal Shirley MacLaine *What the Dead are Dying to Teach Us* Claire Broad, 2019-09-10 A fresh and thoroughly modern take on Afterlife communication Claire Broad is known as the Honest Medium in What the Dead are Trying to Teach Claire shares invaluable insights into life after death gained through her own experience whilst also drawing on the most up to date scientific studies on consciousness As a young child Claire experienced psychic phenomena as she grew older her experiences and the communications she received became stronger resulting in Spirit teachers making their presence known and guiding her Naturally analytical and now an adult Claire was forced to question the validity of her experiences against the common academic opinion surrounding survival after physical death and embarked upon a life long quest for the truth In her refreshingly down to earth honest and open manner Claire shares personal stories to bring comfort and hope to many whilst highlighting findings from consciousness studies that challenge our understanding of the world and encourage us to consider our true nature and full potential Claire teaches us why we may have confidence there is life after death how we can heal and awaken spiritually through the therapeutic practice of mediumship and most importantly what we can learn from those already on the other side in order to make the most of this life whilst we are here By the end of this compelling book readers will have an understanding that we all have a natural connection to the spirit world and will have gained tips and tools to deepen this connection that death is an illusion that our loved ones can visit us after their passing and that we can learn to recognise the signs that genuine mediumship is a therapeutic practice and why visiting a medium is nothing to be feared that spirit guides gently support us all that it is natural for a child to display psychic ability and what you can do to

support a child that does that there is scientific research to support the validity of mediumship and psychic ability and that it is possible to seek evidence for survival as well as keeping faith *Mystic Apprentice Master Volume Ken*
