Uninsured in America Stephen Blythe,2009-08 The Uninsured Pay More It is bad enough to be uninsured but it is outrageous to be charged far more when you pay cash than insurance companies normally pay for the same service Learn how to get the care you need at the most reasonable cost Learn how our health care system abuses those who are least able to afford their care Forewarned is forearmed Buy this book for yourself or someone you love **ObamaCare Survival Guide** Nick J. Tate,2013 Explores the intricacies of and offers practical guidance on the Patient Protection and Affordable Care Act Handbook for Health Care Ethics Committees Linda Farber Post,Jeffrey Blustein,Nancy Neveloff Dubler,2007 Handbook for Health Care Ethics Committees is the first resource designed expressly to address the range of work performed by ethics committees as part of their multiple responsibilities including education case consultation and policy development The Older American's Survival Guide Bernard Warach,1981 **Understanding Obamacare** Richard Reece MD,2014-04-21 This is one physicians point of view of the chaotic political and practice environment and where it goes from here Where it stops nobody yet knows The author strives to dissect health reforms complexities in a straightforward matter He mixes prose with poetry and even throws in a little humor to boot Still he recognizes health reform is a deadly serious subject that impacts every American young and old the healthy and the sick rich and poor He gives the good the bad and the ugly of reform effortscoverage of pre existing illnesses physician shortages and unaffordable costs Hold on to your hat and your saddleits going to be bumpy ride *The Ten Year War* Jonathan Cohn,2015-10-16 Jonathan Cohn s The Ten Year War is the definitive account of the battle over Obamacare based on interviews with sources who were in the room from one of the nation s foremost healthcare journalists The Affordable Care Act better known as Obamacare was the most sweeping and consequential piece of legislation of the last half century It has touched nearly every American in one way or another for better or worse and become the defining political fight of our time In The Ten Year War veteran journalist Jonathan Cohn offers the compelling authoritative history of how the law came to be why it looks like it does and what it s meant for average Americans Drawn from hundreds of hours of interviews plus private diaries emails and memos The Ten Year War takes readers to Capitol Hill and to town hall meetings inside the West Wing and eventually into Trump Tower as the nation s most powerful leaders try to reconcile pragmatism and idealism self interest and the public good and ultimately two very different visions for what the country should look like At the heart of the book is the decades old argument over what s wrong with American health care and how to fix it But the battle over healthcare was always about more than policy The Ten Year War offers a deeper examination of how our governing institutions the media and the two parties have evolved and the dysfunction those changes have left in their wake Journal of the National Cancer Institute ,2010-07
