

ANSWER KEY

Note: For your convenience in checking student assignments, all test questions from *Themes in Literature* are answered here.

UNIT 1 • TRUTH AND WISDOM

Pages 2–43

God Sees the Truth, but Waits

Leo Tolstoy, pp. 2–6

Note: This selection has been slightly edited for appropriateness.

THINK IT THROUGH (p. 6 of student text)

1. The night before Ivan left, his wife had a dream about the evils he would encounter on his trip.
2. The trip began as a selling trek to the fair. He stopped the first night at a merchant friend's inn. After leaving early the next morning, he was arrested by a Russian policeman.
3. He no longer laughed, sang, or played the guitar, but he prayed often. After he was arrested, Ivan became a "model prisoner" and a counselor to many of the prisoners.
4. They liked him and called him "Grandfather."
5.
 - No. He chooses not to remember our sin. Isaiah 43:25 says, "I, even I, am he that blot out thy transgressions for mine own sake, and will not remember thy sins." Hebrews 8:12 says, "... their sins and their iniquities will I remember no more."
 - He had compassion on him. Ivan knew God would forgive Makar; therefore, he needed to forgive him as well.
 - Answers will vary.
6. He felt guilty for framing Ivan. Romans 12:20 says, "Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head." Because Ivan's response to Makar was proper and not hostile, Makar felt the guilt of his actions.

Explorer of the Stars

Helen Acker, pp. 7–14

Note: This selection has been slightly edited for appropriateness.

THINK IT THROUGH (p. 15 of student text)

1. Some men were talking about a rumor from Holland about a magnifying glass that an optician

had invented. Galileo overheard this discussion and began to work on an idea of his own.

2.
 - These men had been taught differently all their lives.
 - No.
 - Yes, his findings were contrary to what the Roman Catholic Church believed. They taught that the earth was the center of the universe, and that the earth was immovable. Today, we know this concept to be false.
3. He used the scientific method of observation. He observed and charted the stars in their courses in the sky.
4. Psalm 144:3–4 says, "Lord, what is man, that thou takest knowledge of him! or the son of man, that thou makest account of him! Man is like to vanity: his days are as a shadow that passeth away." Galileo saw the vastness of God's universe, and he realized how small man really is in comparison to the rest of God's creations.
5. Students may answer in many different ways. He recanted because he was afraid for his life. He was old and tired of being away from home because the trial had lasted for five months. Also, in those last days, he was ill.

The Finger of God

Percival Wilde, pp. 16–21

Note: This selection has been slightly edited for appropriateness.

THINK IT THROUGH (p. 21 of student text)

1. Strickland stole some money from his firm and was planning his escape. His butler, Benson, packed Strickland's things for the trip. The plan was for him to join Strickland later. Benson was secretly working to turn in Strickland and keep some of the money for himself. Benson then left to reserve Strickland's place at the train station. This act left Strickland alone to be encountered by the girl.
2. In the story, Strickland says that even the finger of God could not stop him from stealing the money.
