Friedberg & Ira S.

Friedberg,2013-07-01 THE STANDARD REFERENCE WORK ON PAPER MONEY This landmark work is the standard reference on American currency It is internationally acknowledged as the most comprehensive and universally recognized guide on the subject illustrating and valuating all types of United States paper money From the first year of Federal paper money 1861 to the present the fronts and backs of all classes and types of currency from 3 cents to 10 000 dollars are illustrated These are accompanied by text listing describing and pricing every variety of paper money ever issued The result is a complete pictorial descriptive and numismatic history of the currency of the United States There are sections on Colonial and Continental currency notes issued from 1680 to 1788 and a complete listing by type of the issues of the Confederate States of America 1861 1864 Both are illustrated and have market values in several states of preservation Also included are chapters on error notes encased postage stamps and postage envelopes Every illustration is reproduced in color And for those who think of America s currency as a constant study in green and black the rainbow like diversity is a revelation It is a complete collection of United States currency many of the notes in the finest state of preservation possible and some so extremely rare that they may only be seen either on these pages or in an exhibition A distinguished panel of acknowledged experts on paper money assisted the authors enabling them to establish accurate and up to the minute valuations for all issues The publication of Paper Money of the United States introduced innovations never before attempted Robert Friedberg 1912 1963 was the first to standardize this subject and gave this book a permanent place on reference shelves For the past thirty years it has been completely revised and edited by Arthur Friedberg and Ira Friedberg **Standard Catalog of**

**World Paper Money - Modern Issues** George S. Cuhaj,2010-05-12 This 16th edition of the Standard Catalog of World Paper Money Modern Issues features bank notes issued on a national basis from 1961 to present It is the largest and most comprehensive English language catalog and retail price guide of world bank notes This new edition offers More than 19 100 variety listings and more than 12 250 bank note illustrations for easy identification Current retail pricing in two commonly available grades Helpful collector information numeral charts bank note signature charts and a variety of indexes for correct identifications With the assistance of more than 80 international bank note collectors and dealers editor George S Cuhaj makes this edition of the Standard Catalog of World Paper Money Modern Issues the one stop resource that you need for proper identification description and valuation of modern bank notes in your collection or ones that could be **Gold Coins of the World, 10th edition** Arthur & Ira Friedberg,2023-12-20 The tenth edition of Gold Coins of the World expands on its predecessor digging more deeply into new areas of collector interest and expanding many sections From the coins of Ancient Greece Rome and the Byzantine Empire and from Afghanistan through Zanzibar it includes the addition of many new

discoveries for dozens of countries From the 384 pages of the 1958 edition the work has expanded to 852 pages which have been completely revised and updated The authors have listed more than 22 000 coin types which are illustrated with more than 8 500 photos now for the first time each one of them in color Each country s section includes tables of weight and fineness The market valuations are extensively revised to reflect both the higher price of gold as well as the skyrocketing demand for numismatic rarities Valuations are now provided for the first time in up to three states of preservation Many of the prices especially for great rarities and coins in higher grades have at least doubled In fact as collectors recognize the scarcity of coins in the highest states of preservation the premium for such coins relative to lower graded ones is escalating beyond traditional proportions The coinage of India and the Islamic world long dismissed by western collectors as difficult to decipher unimportant and lacking in value is now the subject of intense interest and has shown some of the most dramatic increases of all The reader will also find a useful directory of the world s leading gold coin dealers and auction houses For the numismatist banker economist historian or institution of higher learning the tenth edition of Gold Coins of the World is a book for every library public and private      **Gold Coins of the World - 9th edition** Arthur L. Friedberg,Ira S.

Friedberg,Robert Friedberg,2017-01-05 A unique and indispensable reference work Unsurpassed in content and scope When the first edition of Gold Coins of the World made its debut in 1958 it forever changed the way gold coins were collected cataloged traded and priced For the first time one book provided a reliable guide for a subject which previously required an often expensive investment in multiple volumes of literature some of it rare and antique and much of it badly out of date With the publication of this pioneering work Robert Friedberg 1912 1963 established himself as an international icon in the field of numismatic literature This book and the Friedberg Numbering System he developed became then and is still today the internationally recognized standard for systematically identifying any gold coin ever made From just 384 pages in 1958 Gold Coins of the World has expanded to the extent that it now contains more than triple the information of its ancestor It still stands alone as the first and only book to describe catalog and price two millennia of gold platinum and palladium coin issues from across the globe From the first coins of the ancient Greeks to the most recently issued modern commemoratives they are all here an astonishing compilation of more than 21 000 individual coin listings accompanied by over 8 000 actual size photographs The prices have been completely updated for the most part raised substantially to reflect the current market Entire sections have been expanded many illustrations have been added or improved and hundreds of new discoveries and recent issues have been included for the first time Arthur Friedberg president of the International Association of Professional Numismatists from 2001 to 2007 and now its Honorary President and Ira Friedberg have completely revised and expanded their late father s work They have had the valuable assistance and cooperation of a who s who of the leading numismatists on every continent in bringing this edition to fruition For the numismatist banker economist historian institution of higher learning or a fancier of the noble metal in all its forms Gold Coins of the World is a book for every library public and private
