Universe Speaks A Heavenly Dialogue:

The Universe Speaks a Heavenly Dialogue Kimberly Klein, 2016-06-09 On December 23 2007 a small private plane carrying author Kim Klein's thirteen year old daughter Talia Talia's father and her best friend crashed into the side of a volcano in Panama killing all on board except the friend A month after Talia's death while on his way to her memorial service Klein's friend G received the following message Tell my mom I'm OK Talia Yes tell my mom I'm OK OK I will when I see her TELL MY MOM I'M OK I will I promise It sounded like an everyday message from a daughter to her mother but it was not so everyday And in the coming days and months Talia continued to speak from the afterlife bringing us The Universe Speaks Presenting first hand unequivocal accounts of Heaven and what it's like to transition from the physical world to non physical realms The Universe Speaks offers peace to those who fear death insight into our lives on Earth and the world beyond Talia teaches us that the conversations between the spirit world and those of us in physical bodies are as normal and natural as any conversation and that death is a gateway into a new beautiful and everlasting realm of life We also learn much about Talia her dramatic death who she was on Earth how Kim's unique style of parenting influenced her how her teachers and friends viewed her and how her extraordinary level of maturity seems to have carried over into the spirit world giving her the status of teacher rather than student And we learn about the author Kim Klein the remarkable well educated lawyer businesswoman and mother who did not believe in God the soul or the spirit world until her world was turned upside down and she was given no choice but to transform and take on an entirely new belief system The Universe Speaks offers an exciting compassionate and realistic look at what life is like on the other side It teaches us more about the reality in which we live and shows us that we too have the capacity to communicate with loved ones who have died Talia's words don't just make us wonder they actually address our questions Questions like Where is God How do we become One What is Oneness The Universe Speaks A Heavenly Dialogue answers these and many other questions about life on earth and in other dimensions

The Universe Speaks a Heavenly Dialogue, Book Two Kimberly Colleen Klein, 2013-02-28 Book Two of The Universe Speaks A Heavenly Dialogue takes us deeper into the world of the spirit Continuing the themes of Book One this book goes even deeper into the workings of the spirit and teaches us the how to's for living up to our birthright our ability to be in relationship with our true selves with the Universe and with God Once again we are given evidence that there is an afterlife That there is NO death That we are all capable of communicating with the spirits That heaven is real That it is possible to live authentically according to our hearts not what others in our lives

The Universe Speaks Kimberly Klein, 2011-10-12 On December 23 2007 a small private plane carrying author Kim Klein's thirteen year old daughter Talia Talia's father and her best friend crashed into the side of a volcano in Panama killing all on board except the friend A month after Talia's death she started to speak from the afterlife Presenting first hand unequivocal accounts of Heaven and what it's like to transition from the physical world to non physical realms The Universe Speaks offers peace to those who fear death insight into our lives on

Earth and into the world beyond and brings understanding to anyone who has been affected by a tragedy Talia teaches us that the conversations between the spirit world and those of us in physical bodies are as normal and natural as any conversation And that death is a gateway into a new realm of life Hummingbirds Don't Fly In The Rain Kimberly Klein, 2011-10-03 On December 23 2007 the plane carrying author Kim Klein s only child Talia her ex husband and her daughter s best friend crashed into the side of a volcano in Panama Hummingbirds Don t Fly in the Rain chronicles the seven day suspense filled journey that begins the moment Klein receives the phone call announcing her daughter s plane is missing Klein also shares fascinating details about her relationship with her wealthy ex husband her conscious raising of Talia and the aftermath of the accident once back in the US She also reveals a glimpse of something wonderful to come Lying in agony after receiving the news of her daughter s death she suddenly feels a pressure around her left wrist and realizes that Talia is trying to communicate with her Talia s afterlife communications continue and expand ultimately bringing love and peace to Klein and she hopes to others Hummingbirds Don t Fly in the Rain reads like a suspense thriller yet every word is true
