Corporate Finance and the Securities Laws Johnson Jr Charles J., Joseph McLaughlin, Anna T. Pinedo, 2023-12-08 This Seventh Edition of *Corporate Finance and the Securities Laws* is about doing deals—transactions in which companies raise funds in the U.S. and international capital markets. We have tried to retain the book's practical orientation, which we believe was responsible for the previous editions' considerable success. We do not intend this book as a complete treatise on the U.S. federal securities laws, nor do we intend it as an investor's or issuer's guide to the capital markets. Rather, we are trying to explain the legal environment in which capital markets transactions take place, just as we are trying to explain the capital markets transactions to which that environment is always trying to adapt. Highlights of the Seventh Edition include SEC administrative proceedings and SCOTUS decision in *Axon Enterprise Inc v*
