to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more or if you're already prepared enough to achieve success on your test day. If you do well on the practice test then you know you're prepared. If you struggle on the practice test then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our NCTRC Exam Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test. That's why our NCTRC Exam Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

Patient Assessment Practice Questions Johnny Lung, 2019-09. Are you preparing for the TMC Exam? If so, did you know that going through practice questions is one of the most effective strategies that students are using to pass the exam? That is exactly why you need to grab a copy of this book. Inside we're going to share 35 of our best TMC Practice Questions with you. All of course covering the one of the most important sections of the exam: Patient Assessment. Each practice question in this book also comes with a detailed rationale that explains exactly why the answer is correct. Not to mention it also explains why the other answer choices are wrong. This is so important when it comes to actually learning the information that you need to know. So if you're ready to master Patient Assessment, I'll see you on the inside.

About the Author: Johnny Lung, the founder of Respiratory Therapy Zone, is a Registered Respiratory Therapist who has helped thousands of students pass the licensure board exams through books, videos, study guides, and online courses. You can learn more by going to RespiratoryTherapyZone.com.

What Students are Saying: "I passed it on my first attempt just like you said," Deanna H. "They helped me pass boards on my first attempt and thankfully they're much more affordable than the other study guides out there," Joy A. "I love their practice questions. I highly recommend their resources for the TMC Exam and Clinical Sims," Megan L. "Their practice questions are challenging and really make you think. So helpful," Susanna H. "They keep the information basic and easy to understand without all the complicated nonsense. I highly recommend their stuff for the board exams," Timothy H.
