.....

Perhaps Atticus was right, but the events of the summer hung over us like smoke in a closed room^[1]. The adults in Maycomb never discussed the case with Jem and me; it seemed that they discussed it with their children, and their attitude must have been that neither of us could help having Atticus for a parent, so their children must be nice to us in spite of him. The children would never have thought that up for themselves: had our classmates been left to their own devices, Jem and I would have had several swift, satisfying fist-fights apiece^[2] and ended the matter for good. As it was, we were compelled to hold our heads high and be, respectively, a gentleman and a lady. In a way, it was like the era of Mrs. Henry Lafayette Dubose, without all her yelling. There was one odd thing, though, that I never understood: in spite of Atticus's shortcomings as a parent, people were content to re-elect him to the state legislature that year, as usual, without opposition^{[3][4]}. I came to the conclusion that people were just peculiar, I withdrew from them, and never thought about them until I was forced to.
