psychological distress blocking the healthy flow of energy within her body and creating an environment for disease to exist and develop As Gloria travelled the healing path she learned that many diseases originate from traumatic situations and that emotional memories from painful events were stored in her brain and at the cellular level of her body along with the anger grief and stress associated with those events Living in a toxic marriage caused Gloria to come into agreement with a casualty covenant that brought reality into being negating God s Word and impeding her body s ability to heal As she allowed the Lord to navigate her through the healing process by dealing with the roots fruit and effects of emotional and psychological trauma the ticking bomb of unprocessed trauma was diffused The Lord brought healing to her spirit soul and body giving her the freedom to cross over Jordan and come into her divinely appointed destiny Unhindered Abundance Ken Baugh,2022-10

goes the glory **Reflectivity and Cultivating Student Learning** Edward G. Pultorak, 2014-07-03 Many educator preparation programs have a teacher reflection component and or model however the current available literature provides little information regarding reflection s impact on teacher performance and student learning Reflectivity and Cultivating Student Learning includes theory research and practice appropriate for teacher educators teacher candidates classroom teachers school administrators and educational researchers This text will be useful for teacher education programs graduate programs in education and professional development for educators The goal of this book is to substantiate the knowledge skills and dispositions that have been used to establish teacher reflectivity as a foundation of teacher education and to advance the acquisition applications and appreciation of teacher reflectivity as a critical aspect of professional growth and development Pultorak and his contributors enrich the literature and provide greater clarity regarding reflectivity s impact on student learning in our global society **Finding Hope in This World of Turmoil** Trevor Bartley, 2016-09-24 The resurrection message is the most important part of our belief system Without the truth of the resurrection message our faith is just another religion with no real substance The Resurrection sets Christianity apart This book is dedicated to establishing this truth The extent of the work of Christs resurrection is staggering However if there is one topic that is the central message of the Bible it is the sacrifice of Christ The Old Testament looks forward to it whereas the New Testament looks back at it We must be extremely careful not to allow these two ordinances to become routine in our Christian life communion and baptism and thereby reduce the significance of what Jesus did for us at his sacrifice and resurrection The greatest gift that anyone can be given is eternal life and the one that made that possible is Jesus In Christ we have victory provided we see ourselves dead to sin and raised together with him Even so consider yourselves also dead to sin and your relation to it broken but alive to God living in unbroken fellowship with Him in Christ Jesus Romans 6 11 AMP I have been crucified with Christ in Him I have shared His crucifixion it is no longer I who live but Christ the Messiah lives in me and the life I now live in the body I live by faith in by adherence to and reliance on and complete trust in the Son of God Who loved me and gave Himself up for me Therefore I do not treat Gods gracious gift as something of minor importance and defeat its very purpose I do not set aside and invalidate and frustrate and nullify the grace unmerited favor of God For if justification righteousness acquittal from guilt comes through observing the ritual of the Law then Christ the Messiah died groundlessly and to no purpose and in vain His death was then wholly superfluous Galatians 2 20 21 AMP We need to remember that the story doesnt end with Jesuss death He is currently in heaven in his resurrected body and one day he will return The resurrection of Jesus was an act of the supreme love of God Remember our identification is in who we are in Christ and his resurrection The Bible tells us in John 14 12 that the things Christ has done we can do and greater than these we will do because he goes to the Father The resurrection demonstrated Jesuss victory over the power of death and confirms there is life beyond the grave Jesus Christ offers us a resurrection power beyond ourselves that can make us alive it empowers us to overcome the limitations of this

realm with an infused ability as we focus on the Spirit of power working within us I hope you receive much insight and revelation as you discover the wholeness of what Jesus achieved for you and me **The Whole Soul** Gayle Rogers, Ph.D.,2014-07-22 Transform your life as you change your thoughts A key to wholeness is found in this simple yet profound truth The Whole Soul offers simple solutions to earth shattering overwhelming every day life crises Transformation has never been easy yet we have the solution to every issue we encounter Imagine living a lifestyle where you literally have the power to walk over every circumstance every obstacle and every challenge A lifestyle where you have authority to take captive every debilitating thought and toxic mindset changing your life permanently Eternity is in the hearts of men women Eccl 3 11 giving dominion over every thought You see the circumstances we face every day are simply the result of our perception and how we navigate our thought life In the pages of this book you will find the opportunity to choose victory over defeat
