You Fly Alone, Blue Bird Gordana Savic, 2023-04-07 In *You Fly Alone Blue Bird* the book takes readers on a poetic journey through life s choices and how they shape our paths The author compares life to a big tree with branches leaves and choices Each step we take a decision that leads us to where we are now Through self awareness we can begin to understand the significance of these

choices and how they shape our lives This thought provoking and introspective book sets the stage for a captivating read This book is much more literary and ambitious by its very concept because it includes on the one hand a part of the story related to Canada and on the other an essayistic nuance of the experiences that follow the events of the book and what is in a certain sense part of the author s life philosophy The second part is in many ways a beautiful and major innovation in the writing of Gordana Savic in general since it contains short and specific notes simulated lexicon notations in the margin of the book as designed and deepened life attitudes The experience that remains in the shadow determines the nature of the text Seven Secrets of a Happy Marriage Margery D. Rosen,2002-01-01 Offers dozens of personal stories illustrating the importance of seven characteristics of successful marriages including trust communication fair fights and a balance of power **Destiny** Peter James Ford,2024-03-04 DESTINY is a book recording the continual soul expansion of the seeker Peter James Ford Peter s journey began after a powerful spiritual experience in the little historic seaport in Newburyport Massachusetts In Peter s late night meditations which were along the Merrimac River the boardwalk the Salisbury Reservation on the Atlantic Ocean Plum Island Maudsley Estate State Park Pow Wow Hill Native American Burial Grounds and Old Hill Burial Grounds he was having vivid visions in his mind of seeming past life experiences and powerful insights Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see Peter s intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources One source may be the Akashic Records Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons We can access this power through ancient spiritual practices and apparently Peter has done just that Stories and Tales began flowing from Peter and he wrote his first book In the last three years Peter has written ten more books and shares everything he has found from his journeys to the inner worlds Peter wrote a seven book series under the title MYSTICISM IN NEWBURYPORT then the eighth and ninth bonus companion books called MYSTIC VISION QUEST Then SHAMBHALA S GHOSTS was to join the collection of mystical tales Now you are holding his new writings in your hands Peter laughingly calls himself An Unlikely Messenger as his younger years were nothing resembling anything spiritual So here is the story of just another seeker realizing his divinity and returning to his own heart The Happiness Handbook Sergio Rijo,2023-03-21 The Happiness Handbook A Practical Guide to Finding Joy and Fulfillment is the ultimate roadmap to achieving lasting happiness in your life This comprehensive guidebook is filled with practical advice insightful wisdom and actionable steps to help you overcome obstacles and cultivate a happy and fulfilling life Drawing on the latest research in psychology neuroscience and positive thinking this book offers a wealth of information on how to live your best life Whether you are struggling with negative thoughts and emotions looking to find your purpose and passions or seeking to improve your relationships and well being The Happiness Handbook has got you covered With chapters dedicated to mindfulness gratitude forgiveness financial and material wealth sleep nature and more this book provides a holistic approach to happiness that goes beyond temporary
