

DON'T QUIT

When things go wrong as they sometimes will,
When the road you're trudging seems all up hill,
When the funds are low and the debts are high
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest if you must, but don't you quit.

Life is strange with its twists and turns
As every one of us sometimes learns
And many a failure comes about
When he might have won had he stuck it out
Don't give up though the pace seems slow—
You may succeed with another blow.

Success is failure turned inside out—
The silver tint of the clouds of doubt,
And you never can tell just how close you are,
It may be near when it seems so far;
So stick to the fight when you're hardest hit—
It's when things seem worst that you must not quit.

Roberts, 2021-07-15 Book I asked myself What is happiness and when do I know when I have finally found it God took me through a process and I found out that happiness is not what I possess or who I am with and happiness is not anything that anyone can offer me Happiness is the success I achieve when I accept my life with its imperfections and utilize what I have learned to change someone else's life Thus with a simple Yes I said to the Lord I will accept my life as my journey to become the perfect me Perfect is not one without flaws it is one that requires me to be the best that I can possibly be then to Him I am perfect for today and prepared for tomorrow God designed our life for us to enjoy not just to survive We often wish ourselves out of our current moments of life just for us to walk right past them into the next season without recognizing what we left behind This book is designed to take you on a journey through the inner thoughts and deepest hurts of your life The questions and assessments require you to be honest and transparent with yourself in order to get real answers and get to the root of issues in your life This process will also help you identify who you really are and see how everything in your life has purpose By the end of this book not only will you be able to answer the question of Why don't people like me but you'll also be one step closer to becoming the perfect YOU **SPIN**, 1989-06 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks
