Winter Season A Dancers Journal With A New Preface

Library of Congress

Winter Season A Dancers Journal With A New Preface:

Winter Season Toni Bentley, 2003-03-20 An irresistible inside look at one of the world's great dance companies Winter Season is also a sensitive intimate and almost painfully honest account of the emotional and intellectual development of a young woman dedicated to one of the most demanding of all the arts Bentley's association with the New York City Ballet began when she was accepted by the affiliated School of American Ballet at the age of eleven Seven years later she became a member of the company In the fall of 1980 as the winter season opened she found herself facing an emotional crisis her dancing was not going well At 22 she felt that her life had lost direction To try to make something of her experience on paper if not on stage she began to keep a journal describing her day to day activities and looking back on her past The result is perhaps the closest that most of us will ever come to knowing what it feels like to be a dancer on stage and off It also offers memorable glimpses of some notable members of the City ballet with at the center the man whose vision they all served George Balanchine

The Routledge Introduction to Ballet, its Culture and Issues Jennifer Fisher, 2024-12-24 As an introduction to ballet's history culture and meanings this book draws on the latest ballet scholarship to describe the trajectory of a dance form that has risen to global ubiquity and benefited from many diverse influences along the way Organized around themes the book explains how the manners style and hierarchies of ballet became such a strong part of its DNA It addresses the origins of ballet's aristocratic vocabulary and the ways in which it may be interpreted now incorporating meanings that range from the aesthetic to the spiritual and the political The Routledge Introduction to Ballet its Culture and Issues explores how dancers and audiences have experienced ballet how popular films have represented it and who has been excluded and how that could change The chapters highlight the people institutions and works that helped to establish ballet's reputation while also uncovering lesser known influences and new ways of interpreting ballet Lists of research resources further readings documentary films and dance feature films offer starting points for further avenues of learning This book's central premise is that all dance reflects the culture in which it develops and is capable of embodying and disseminating new ideas This is the definitive introduction for anyone drawn to ballet or seeking to understand it and those looking to develop a thorough understanding of how ballet developed the cultures that formed it and what it can mean for today's audiences artists and scholars

The ^AOxford Handbook of Music and the Body Dr. Youn Kim, Dr. Sander L. Gilman, 2019-08-01 The presence of the phenomenological body is central to music in all of its varieties The Oxford Handbook of Music and the Body brings together scholars from across the humanities social sciences and biomedical sciences to provide an introduction into the rich multidimensional world of music and the body

Dying Swans and Madmen Adrienne L. McLean, 2008-02-19 From mid twentieth century films such as Grand Hotel Waterloo Bridge and The Red Shoes to recent box office hits including Billy Elliot Save the Last Dance and The Company ballet has found its way time and again onto the silver screen and into the hearts of many otherwise unlikely audiences In Dying Swans and Madmen Adrienne L

McLean explores the curious pairing of classical and contemporary art and entertainment high culture and popular culture to reveal the ambivalent place that this art form occupies in American life Drawing on examples that range from musicals to tragic melodramas she shows how commercial films have produced an image of ballet and its artists that is associated both with joy fulfillment fame and power and with sexual and mental perversity melancholy and death Although ballet is still received by many with a lack of interest or outright suspicion McLean argues that these attitudes as well as ballet's popularity and its acceptability as a way of life and a profession have often depended on what audiences first learned about it from the movies

Energy and Forces as Aesthetic Interventions Sabine Huschka, Barbara Gronau, 2019-07-18 This volume collects academic as well as artistic explorations highlighting historical and contemporary approaches to the energetic in its aesthetic and political potential Energetic processes cross dance performance art and installations In contemporary dance and performance art energetic processes are no longer mere conditions of form but appear as distinct aesthetic interventions They transform the body evoke specific states and push towards intensities International contributors i e Gerald Siegmund Susan Leigh Foster Lucia Ruprecht unfold thorough investigations elucidating maneuvers of mobilization activation initiation regulation navigation and containment of forces as well as different potentials and promises associated with the energetic

Subject Catalog Library of Congress, **Contemporary Directions in Asian American Dance** Yutian

Wong, 2016-05-11 Original essays and interviews by artists and scholars who are making defining questioning and theorizing Asian American dance in all its variety

The Oxford Handbook of Dance and Reenactment Mark Franko, 2017-11-15 The Oxford Handbook of Dance and Reenactment brings together a cross section of artists and scholars engaged with the phenomenon of reenactment in dance from a practical and theoretical standpoint Synthesizing myriad views on danced reenactment and the manner in which this branch of choreographic performance intersects with important cultural concerns around appropriation this Handbook addresses originality plagiarism historicity and spatiality as it relates to cultural geography Others topics treated include transmission as a heuristic device the notion of the archive as it relates to dance and as it is frequently contrasted with embodied cultural memory pedagogy theory of history reconstruction as a methodology testimony and witnessing theories of history as narrative and the impact of dance on modernist literature and relations of reenactment to historical knowledge and new media

The Canadian Sioux James Henri Howard, 2014-04-01 The Canadian Sioux are descendants of Santees Yanktonais and Tetons from the United States who sought refuge in Canada during the 1860s and 1870s Living today on eight reserves in Manitoba and Saskatchewan they are the least studied of all the Sioux groups This book originally published in 1984 by James H Howard helps fill that gap in the literature and remains relevant even in the twenty first century Based on Howard's fieldwork in the 1970s and supplemented by written sources The Canadian Sioux Second Edition descriptively reconstructs their traditional culture many aspects of which are still practiced or remembered by Canadian Sioux although long forgotten by their relatives in the United States Rich in detail it presents an

abundance of information on topics such as tribal divisions documented history and traditional history warfare economy social life philosophy and religion and ceremonialism Nearly half the book is devoted to Canadian Sioux religion and describes such ceremonies as the Vision Quest the Medicine Feast the Medicine Dance the Sun Dance warrior society dances and the Ghost Dance This second edition includes previously unpublished images many of them photographed by Howard and some of his original drawings Shaping Dance Canons Kate Mattingly, 2023-04-04 The first book to examine dance criticism in the United States across 100 years this study argues that critics in the popular press have influenced how dance has been defined and valued as well as which artists and dance forms have been taken most seriously

Whispering the Strategies of Language: An Mental Journey through **Winter Season A Dancers Journal With A New Preface**

In a digitally-driven world where displays reign supreme and instant interaction drowns out the subtleties of language, the profound strategies and emotional nuances hidden within words usually get unheard. However, situated within the pages of **Winter Season A Dancers Journal With A New Preface** a charming fictional prize pulsing with fresh emotions, lies an extraordinary quest waiting to be undertaken. Written by an experienced wordsmith, that marvelous opus encourages visitors on an introspective journey, lightly unraveling the veiled truths and profound affect resonating within ab muscles cloth of each word. Within the psychological depths with this touching evaluation, we can embark upon a heartfelt exploration of the book is primary styles, dissect their captivating writing type, and fail to the strong resonance it evokes serious within the recesses of readers hearts.
