Wisdom From A Rainforest The Spiritual Journey Of An Anthropologist:

Wisdom from a Rainforest Stuart A. Schlegel, 2015-03-15 In the early sixties Stuart Schlegel went into a remote rainforest on the Philippine island of Mindanao as an anthropologist in search of material What he found was a group of people whose tolerant gentle way of life would transform his own values and beliefs profoundly Wisdom from a Rainforest is Schlegel s testament to his experience and to the Teduray people of Figel from whom he learned such vital lasting lessons Schlegel s lively ethnography of the Teduray portrays how their behavior and traditions revolved around kindness and compassion for humans animals and the spirits sharing their worlds Schlegel describes the Teduray s remarkable legal system and their strong story telling tradition their elaborate cosmology and their ritual celebrations At the same time Schlegel recounts his own transformation how his worldview as a member of an advanced civilized society was shaken to the core by a so called primitive people He begins to realize how culturally determined his own values are and to see with great clarity how much the Teduray can teach him about gender equality tolerance for difference generosity and cooperation By turns funny tender and gripping Wisdom from a Rainforest honors the Teduray s legacy and helps us see how much we can learn from a way of life so different from our own

Spiritual Ecology Leslie E. Sponsel, 2012-07-19 A prominent scientist and scholar documents and explains the thoughts actions and legacies of spiritual ecology s pioneers from ancient times to the present demonstrating how the movement may offer the last chance to restore a healthy relationship between humankind and nature An internet search for Spiritual Ecology and related terms like Religion and Nature and Religion and Ecology reveals tens of millions of websites Spiritual Ecology A Quiet Revolution offers an intellectual history of this far reaching movement Arranged chronologically it samples major developments in the thoughts and actions of both historic and contemporary pioneers ranging from the Buddha and St Francis of Assisi to Wangari Maathai s Green Belt Movement and James Cameron s 2010 epic film Avatar This foundational book is unique in that it provides a historical cross cultural context for understanding and advancing the ongoing spiritual ecology revolution considering indigenous and Asian religious traditions as well as Western ones Most chapters focus on a single pioneer illuminating historical context and his her legacy while also connecting that legacy to broader concerns Coverage includes topics as diverse as Henry David Thoreau and the Green Patriarch Bartholomew s decades long promotion of environmentalism as a sacred duty for more than 250 million members of the Orthodox Church worldwide For more information visit www.spiritualecology.info

The Light Gap: God'S Amazing Presence Terry Larkin, Marjorie Steiner, 2016-10-07 The Light GAP is the story of Terry and Marj becoming aware of the amazing LIGHT within us God is waiting for us to wake up Tragedy struck the lives of sisters Terry died in a car accident The machine said so but there was more life to live It was an NDE Marj s 19 year old daughter met with death in London She lives on in another realm Journey with these sisters as their Light GAPs are revealed Terry and Marj s intertwined stories include both tragedy and the miraculous Understanding death allowed them both to LIVE life and took away the FEAR of God

A Light Gap is potential life Seeds sprout as sun reaches them Tragedy is full of possibility just like a Light Gap New beginnings are waiting to emerge Find through their discoveries the power held within to experience heaven now Gods Amazing Presence is here for all Come visit us at www.thelightgap.com The Living Church ,2001-07 *The Emotional Nature of Qualitative Research* Kathleen Gilbert,2000-09-28 This book focuses on the place and purpose of emotions in the research process and explores the appropriate boundaries Designed to explore how to manage the emotional content of research the text serves as a supplemental to qualitative research method courses and is an excellent reference for the professional as well *How Long, O Lord?* Athena E. Gorospe, Charles R. Ringma, 2019-01-31 The task of reconciliation with God ourselves and others is an integral element of the mission of God that has been entrusted to his people and leads us to be peacemakers in our societies Dealing with the grand vision of peace and reconciliation this book unlocks the biblical story of reconciliation and challenges churches to widen their scope of mission and become a healing and restorative community With a particular focus on case studies from the Philippines this book gives insight on the work of reconciliation in different parts of the world Dealing with themes such as repentance forgiveness partnership and multiculturalism How Long O Lord offers a thorough academic investigation of the ministry of reconciliation that will be useful for pastors counsellors and scholars in various contexts Integrative Learning and Action Susan M. Awbrey, 2006 The quest for wholeness is an emerging movement in education and in organizations Integrative Learning and Action is a call to wholeness by poets organizational theorists scientists lawyers educators philosophers administrators and contemplatives In diverse ways the essays speak to an emerging desire for a different world for different ways of learning knowing and being that draw upon the full spectrum of our cognitive aesthetic emotional spiritual and kinesthetic intelligences in order to create a wiser more sustainable and collaborative global society The essays challenge us to chart a new integrative course for the future to expand our thinking and to re-enlist our hearts in the life long journey of learning and living and will be valuable to all who are engaged in the transformation occurring in education and the workplace **Origins and Creation Mythology of the Far East** DTTV Publications, Norah Romney, 2021-04-15 Beliefs about the origin of the Earth and the men animals plants and various topographical features seem to survive with greater persistence than any other trait of primitive culture These beliefs lie at the base of nearly all religions and the myths in which the beliefs are preserved are the foundation of literature Therefore the preservation and study of origin myths are of much importance in the reconstruction of the history of humanity which is the chief aim of anthropology The peoples of the Philippines have rich and varied mythology yet little has been explored but which will one day command much attention Among the Christianized peoples of the plains the myths are preserved chiefly as folk tales but in the mountains their recitation and preservation are a real and living part of the people's daily religious life Very few of these myths are written the great majority are preserved by oral tradition Bizarrely this region's Mythology seems connected to various other world mythologies in some cases almost identical Until recent years it has

been believed that all ancient records written in the syllabic alphabets which the Filipinos possessed at the time of the Spanish conquest had been lost

Figuring Resistance Laurence Marvin S. Castillo, 2025-01-06 This book examines how fiction films and novels represent the communist led national democratic NatDem revolution in the Philippines Produced aboveground decades after the Philippines historic transition from dictatorship to elite democracy these NatDem fictions depict how the communist movement in the Philippines confronted various national and global changes tracking revolutionary experiences amidst the ascendancy of neoliberalism the continuation of counterinsurgency and the emergence of non Marxist social movements and discourses Figuring Resistance studies how fictions portray the tenacity of political commitment among revolutionaries engaged in the revolution s manifold history of crises setbacks and persistence It illuminates the crucial role played by cultural work in creating and nourishing an oppositional public sphere where the experiential makings of the liberation struggle in the Third World can be imagined

The Sage Handbook of Global Sociology Gurminder K. Bhambra, Lucy Mayblin, Kathryn Medien, Mara Viveros-Vigoya, 2023-11-29 The SAGE Handbook of Global Sociology addresses the social its various expressions globally and the ways in which such understandings enable us to understand and account for global structures and processes It demonstrates the vitality of thought from around the world by connecting theories and traditions including reflections on European colonization to build shared rather than universal understandings Across 36 chapters the Handbook offers a series of perspectives and cases from different locations enabling the reader better to understand the particularities of specific contexts and how they are connected to global movements and structures By moving beyond standard accounts of sociology and social theory this Handbook offers both valuable insight into and scholarly contribution to the field of global sociology Part 1 Politics Part 2 Labour Part 3 Kinship Part 4 Belief Part 5 Technology Part 6 Ecology
