Wishes Fulfilled Mastering The Art Of Manifesting:

Wishes Fulfilled Dr. Wayne W. Dyer, 2013-12-03 This book is dedicated to your mastery of the art of realizing all your desires The greatest gift you have been given is the gift of your imagination Everything that now exists was once imagined And everything that will ever exist must first be imagined *Wishes Fulfilled* is designed to take you on a voyage of discovery wherein you can begin to tap into the amazing manifesting powers that you possess within you and create a life in which all that you imagine for yourself becomes a present fact Dr Wayne W Dyer explores for the first time the region of your highest self and definitively shows you how you can truly change your concept of yourself embark upon a God realized way of living and fulfill the spiritual truth that with God all things are possible and all things means that nothing is left out By practicing the specific technique for retraining your subconscious mind you are encouraged to not only place into your imagination what you would like to manifest for yourself but you are given the specifics for realigning your life so you can live out your highest calling and stay connected to your Source of being From the lofty perspective of your highest self you will learn how to train your imagination in a new way Your wishes all of them can indeed be fulfilled By using your imagination and practicing the art of assuming the feeling of your wishes being fulfilled and steadfastly refusing to allow any evidence of the outer world to distract you from your intentions you will discover that you by virtue of your spiritual awareness possess the ability to become the person you were destined to be This book will help you See with a capital S that you are Divine and that you already possess an inner invisible higher self that can and will guide you toward a mastery of the art of manifestation You can attain this mastery through deliberate conscious control of your imagination *I'M Alive My Children Are Dead—Or Are They?* Diana Gordon, 2013-03-27 When faced with a sudden and unexpected crisis when faced with a death of a child where your whole life is changed forever where interacting with life is a huge challenge where everyday matters are difficult to cope with and life seems insurmountable how does one go on How does one gather the strength and the courage to pick up the pieces of a shattered life This book is the story of a mothers journey of a sudden and dramatic crisis a descent into darkness and the journey back into the light It is a journey of hope love survival self empowerment and healing It is a journey she hopes will inspire and uplift all who have lost a child or a loved one She discovers that her children are still alive in their spiritual bodies dead to this world but alive as shining lights in the evening sky *Out of the Blue* Mary Terhune, 2015-11-17 In this fascinating book Mary Terhune shares her personal journey of spiritual awakening mystical encounters and visions as well as the universal truths revealed to her in the process During a life crisis she spontaneously received revelations from Jesus that transformed her conscious awareness changing her life forever A profound experience of self realization brought her the message that divinity is humankind's natural state one we need to reclaim She then had an encounter during meditation that showed her beyond any shadow of doubt that birth and dying are actually illusions Mary went on to have an amazing introduction to homeopathy which expanded her training as a registered nurse into a different understanding and

approach to disease prevention curing and healing Mary urges us all to become mindful of our omniscient essence and embrace paradigm shifts in preventive and curative medicine as we awaken to consciousness as the primary force of life Out of the Blue inspires every reader to live as an awakened being and a knowledgeable master of one s own destiny and well being

Moving the Needle Joe Sweeney, Mike Yorkey, 2014-11-17 A detailed system that will help you achieve your professional and personal goals Moving the Needle provides both the kick in the pants and the game plan many of us need to break out of the rut and get moving to achieve our goals CEOs vice presidents professionals military personnel and even college students frequently express frustration at the entrenched status quo in which initiating progress feels like moving mountains This book lights a path toward continual improvement helping readers first find a direction then make the key transitions that jumpstart forward progress This highly practical guide outlines a change process that can be applied to professional or personal goals giving readers a concrete plan for making big things happen Rather than blindly shooting for the moon readers will formulate a solid systematic actionable plan that can only result in progress In today s tenuous business climate employers and employees alike can be glued to the ground unsure of the path they should take or whether they have the freedom to move forward Moving the Needle helps readers clarify their current position identify their optimum position and formulate a workable strategy for getting from here to there Find what moving forward means for your career and life Shake off the doldrums of routine and establish a culture of innovation Improve performance on a consistent basis at every level Break the inertia and get moving in the right direction Stagnation is diametrically opposed to progress Moving forward requires a vision a plan and the impetus to get things done Those who sense that big things can happen need to get clear get free and start Moving the Needle
