Helen Berger, Douglas Ezzy, 2007-05-08. A popular new image of Witches has arisen in recent years due largely to movies like *The Craft*, *Practical Magic* and television shows such as *Buffy the Vampire Slayer*, *Sabrina the Teenage Witch* and *Charmed*. Here young sexy Witches use magic and Witchcraft to gain control over their lives and fight evil. Then there is the depiction in the Harry Potter books. Witchcraft is a gift that unenlightened Muggles, everyday people, lack. In both types of portrayals, being a Witch is akin to being a superhero. At the other end of the spectrum, wary adults assume that Witches engage in evil practices that are misguided at best and dangerous at worst. Yet as Helen A. Berger and Douglas Ezzy show in this in-depth look into the lives of teenage Witches, the reality of their practices, beliefs, values and motivations is very different from the sensational depictions we see in popular culture. Drawing on extensive research across three countries—the United States, England and Australia—and interviews with young people from diverse backgrounds, what they find are highly spiritual and self-reflective young men and women attempting to make sense of a postmodern world via a religion that celebrates the earth and emphasizes self-development. The authors trace the development of Neo-Paganism, an umbrella term used to distinguish earth-based religions from the pagan religions of ancient cultures, from its start in England during the 1940s through its growing popularity in the decades that followed up through its contemporary presence on the Internet. Though dispersed and disorganized, Neo-Pagan communities, virtual and real, are shown to be an important part of religious identity, particularly for those seeking affirmation during the difficult years between childhood and adulthood. [Faust, Part One](#)

Johann Wolfgang von Goethe, 2020-11-03. The original tale of moral destruction in a brand new translation. Faust is a man torn between the urges of the living world and the significance of moral living. He feels nothing, he lives for nothing, and thus engages in a wager with Mephistopheles, the devil himself. Goethe's master work shares the deep complexity of a human life rife with pain, mistakes and dynamic complexity. With *Faust*, the lushly lyrical and philosophically brilliant drama on which the poet spent almost his entire life, Goethe solidified himself as a major literary figure whose work would transcend time and space to create the modern world. Now this brand new dynamic translation demands we ask of our world: who will win, humanity or Mephistopheles. **Faust: Parts One and Two**

Johann Wolfgang von Goethe, 2018-06-13. Single volume edition of the complete work in the Bayard Taylor translation. Part One covers Faust's pact with Mephistopheles and seduction of an innocent girl. Part Two relates his courtship of Helen of Troy and his salvation. **Art, Science, and Witchcraft in Early**
