Within These Walls Rev. Carroll Pickett, Carlton Stowers, 2017-02-27 FORMER TEXAS PRISON CHAPLAIN REV CARROLL PICKETT WORKING WITH TWO TIME EDGAR AWARD WINNER AND NEW YORK TIMES BESTSELLING AUTHOR CARLTON STOWERS PROVIDES THIS ELOQUENT UNFLINCHING LOOK AT CAPITAL PUNISHMENT Within These Walls is the powerful memoir of Rev Carroll Pickett who spent fifteen years as the death house chaplain at The Walls the Huntsville unit of the Texas prison system In that capacity Reverend Pickett ministered to ninety five men before they were put to death by lethal injection They came with sinister nicknames like The Candy Man and The Good Samaritan Killer some contrite some angry a few who might even have been innocent All of them found in Reverend Pickett their last chance for an unbiased confessor who would look at them only as fellow humans not simply as the convicted criminals the rest of society had already dismissed them as This firsthand experience gave Reverend Pickett the unique insight needed to write an impassioned statement on the realities of capital punishment in America The result is a thought provoking and compelling book that takes the reader inside the criminal mind inside the execution chamber and inside the heart of a remarkable man who shares his thoughts and observations not only about capital punishment but about the dark world of prison society **When Texas Prison Scams Religion** Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys

faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

Crossing the River Styx Russell Allen Ford, Todd C. Peppers, Charles Peppers, 2023-03-01 The Reverend Russ Ford who served as the head chaplain on Virginia s death row for eighteen years raged against the inequities of the death penalty now outlawed in Virginia while ministering to the men condemned to die in the 1980s and 1990s Ford stood watch with twenty eight men sitting with them in the squalid death house during the final days and hours of their lives In July 1990 he accidentally almost became the 245th person killed by Virginia s electric chair as he comforted Ricky Boggs in his last moments a vivid episode that opens this haunting book Many chaplains get to know the condemned men only in these final moments Ford however spent years working with the men of Virginia s death row forging close bonds with the condemned and developing a nuanced understanding of their crimes their early struggles and their challenges behind bars His unusual ministry makes this memoir a unique and compelling read a moving and unflinching portrait of Virginia s death row inmates Revealing the cruelties of the state sanctioned violence that has until recently prevailed in our backyard Crossing the River Styx serves as a cautionary tale for those who still support capital punishment

The Wrong Carlos James S. Liebman, The Columbia DeLuna Project, 2014-07-08 A Columbia Law School team s in depth examination of one man s 1989 wrongful conviction and execution for murder In 1989 Texas executed Carlos DeLuna a poor Hispanic man with childlike intelligence for the murder of Wanda Lopez a convenience store clerk His execution passed unnoticed for years until a team of Columbia Law School faculty and students chose to investigate his case and found that DeLuna almost certainly was innocent No one had cared enough about either the defendant or the victim to make sure the real perpetrator was found Everything that could go wrong in a criminal case did DeLuna s conviction was based on a single nighttime cross ethnic eyewitness identification with no corroborating forensic evidence At his trial DeLuna

s defense that another Carlos had committed the crime was not taken seriously The lead prosecutor told the jury that the other Carlos Carlos Hernandez was a phantom of DeLuna s imagination In upholding the death penalty on appeal both the state and federal courts concluded the same thing Carlos Hernandez did not exist However he not only existed but also had a long history of violent crimes This book and its website thewrongcarlos net reproduce law enforcement crime lab lawyer court social service media and witness records as well as court transcripts photographs radio traffic and audio and videotaped interviews documenting one of the most comprehensive investigations into a criminal case in US history This book will become a classic in the field Austin Sarat Amherst College An infuriating yet engrossing book on wrongful conviction An important critique of our legal system Publishers Weekly

The Death Penalty Council of Europe,2004-01-01 Europe is today the only region in the world where the death penalty has been almost completely abolished In the Council of Europe s 45 member states including the European Union s 15 member states and its 13 candidate countries capital punishment is no longer applied The Council of Europe believes that the death penalty has no place in democratic societies under any circumstances This book reviews the long and sometimes tortuous path to abolition in Europe It also addresses the tangible problems which countries face once the death penalty has been abolished and related issues the situation of murder victims families and alternatives to capital punishment particularly the choice of a substitute sentence It also discusses abolition campaigns in Russia the United States and Japan

Social Work, Criminal Justice, and the Death Penalty Lauren A. Ricciardelli, 2020-08-10. Social workers have their hands in a lot of big sociopolitical issues. When it comes to the death penalty, their involvement is especially crucial. Social workers might support those receiving the sentence, engage with the families of those sentenced, participate in mitigation work, examine the critical discourse, psychiatric, psychological, and legal leading up to and after the sentence, contribute to research surrounding mental health as it relates to the criminal justice system, or even use social advocacy and policy practice to examine the death penalty. In *Social Work, Criminal Justice, and the Death Penalty*, professionals with backgrounds spanning law, forensics, academia, and social work combine and explain their experiences surrounding this prominent social justice issue. The book is broken into three sections: Criminal Justice Considerations, Sociopolitical Considerations, and Applied Social Work Considerations. Across each section, chapters provide explicit implications for the social work professional in a criminal justice setting. The resulting volume equips beginning professionals and students with a holistic overview of the intersection of criminal justice and social justice.
