Without Copyrights Robert Spoo, 2013-09-05 Tells the story of how the clashes between authors publishers and literary pirates influenced both American copyright law and literature itself Dust jacket flap *Without Copyrights* Robert Spoo, 2016 Tells the story of how the clashes between authors publishers and literary pirates influenced both American copyright law and literature itself Dust jacket flap

The Oxford Handbook of Law and Humanities Simon Stern, Maksymilian Del Mar, Bernadette Meyler, 2020 How might law matter to the humanities How might the humanities matter to law In its approach to both of these questions The Oxford Handbook of Law and Humanities shows how rich a resource the law is for humanistic study as well as how and why the humanities are vital for understanding law Tackling questions of method key themes and concepts and a variety of genres and areas of the law this collection of essays by leading scholars from a variety of disciplines illuminates new questions and articulates an exciting new agenda for scholarship in law and humanities

The New Joyce Studies Catherine Flynn, 2022-09-08 While from the outside Joyce studies might appear monolithic from within it is manifold divergent and lively The sixteen essays in this volume indicate an expanded and interconnected conversation that brings into relation hitherto distant locales and types of criticism Taking European African Latin American trans continental and global perspectives these essays work within and between a range of critical approaches and vantage points Many of them engage in new ways with the discussions of Irish history and politics begun by in the mid nineties by scholars such as Emer Nolan Vincent J Cheng Marjorie Howes and Derek Attridge These historical and political concerns have continued to bear fruit in recent years as evidenced by works by Cheng Luke Gibbons and Andrew Gibson Several of the essays in this volume bring these concerns into relation with issues such as queerness race and transnational literary relations Others examine issues of composition and publication copyright law translation and the history of modernist criticism

Pirating Fictions Monica F. Cohen, 2018-01-02 Two distinctly different meanings of piracy are ingeniously intertwined in Monica Cohen s lively new book which shows how popular depictions of the pirate held sway on the page and the stage even as their creators were preoccupied with the ravages of literary appropriation The golden age of piracy captured the nineteenth century imagination animating such best selling novels as *Treasure Island* and inspiring theatrical hits from *The Pirates of Penzance* to *Peter Pan* But the prevalence of unauthorized reprinting and dramatic adaptation meant that authors lost immense profits from the most lucrative markets Infuriated novelists and playwrights denounced such literary piracy in essays speeches and testimonies Their fiction however tells a different story Using landmarks in copyright history as a backdrop *Pirating Fictions* argues that popular nineteenth century pirate fiction mischievously resists the creation of intellectual property in copyright legislation and law Drawing on classic pirate stories by such writers as Walter Scott James Fenimore Cooper Robert Louis Stevenson and J M Barrie this wide ranging account demonstrates in raucous tales and telling asides how literary appropriation was celebrated at the very moment when the

forces of possessive individualism began to enshrine the language of personal ownership in Anglo American views of creative work

Modernism's Print Cultures Faye Hammill, Mark Hussey, 2016-08-25 The print culture of the early twentieth century has become a major area of interest in contemporary Modernist Studies *Modernism's Print Cultures* surveys the explosion of scholarship in this field and provides an incisive well informed guide for students and scholars alike Surveying the key critical work of recent decades the book explores such topics as Periodical publishing from little magazines such as *Rhythm* to glossy publications such as *Vanity Fair* The material aspects of early twentieth century publishing small presses typography illustration and book design The circulation of modernist print artefacts through the book trade libraries book clubs and cafes Educational and political print initiatives Including accounts of archival material available online targeted lists of key further reading and a survey of new trends in the field this is an essential guide to an important area in the study of modernist literature

Late Victorian Literary Collaboration Annachiara Cozzi, 2024-07-22 An exciting new contribution to the expanding but still largely uncharted territory of collaboration studies *Late Victorian Literary Collaboration* is the first book length study of the trend for collaborative writing that emerged in the last decades of the nineteenth century As a result of the rapidly growing literary market the years between 1870 and the turn of the century witnessed an unprecedented flow of collaboratively written novels In the 1890s co authorship became a craze with literary partnerships multiplying and fiction co written by twenty and more authors appearing in the pages of popular magazines By 1900 however the trend had already reversed and it quickly slipped into oblivion *Late Victorian Literary Collaboration* investigates the factors that made the period so conducive to collaboration tracing the reasons for its success and subsequent decline Drawing on a vast range of original sources the book discusses and compares different models of collaboration from life long exclusive partnerships to one time widely advertised collaborative ventures between best selling novelists It deals with authors such as Walter Besant Somerville and Ross Andrew Lang H R Haggard and Rhoda Broughton all favourites of the Victorian public but subsequently neglected and only recently reevaluated By unpacking the debate that developed around co authorship in the periodical press of the time the book also sheds light on how collaborative authorship was imagined by the general public and illustrates how the trend effectively if temporarily challenged Victorian assumptions about the author as a solitary genius

Parallaxing Joyce Penelope Paparunas, Frances Ilmberger, Martin Heusser, 2017-04-10 *Parallaxing Joyce* is a groundbreaking collection of critical essays as it approaches James Joyce's work using parallaxic principles as its overriding theoretical framework While parallax a frequent term in Joyce's work originally derives from astronomy it has been appropriated in this volume to provide fresh perspectives on Joyce's oeuvre By comparing Joyce and Marilyn Monroe films art serializations philosophy translation and censorship among others these scholars transform our way of reading not only Joyce but also the world around us This volume will appeal not only to academic researchers and Joyce enthusiasts but also to anyone interested in literary and cultural studies

The Edinburgh

Companion to Women in Publishing, 1900-2020 Nicola Wilson, Claire Battershill, Sophie Heywood, Marrisa Joseph, Daniela La Penna, Helen Southworth, Alice Staveley and Elizabeth Willson Gordon, 2024-02-29 Women's creative labour in publishing has often been overlooked. This book draws on dynamic new work in feminist book history and publishing studies to offer the first comparative collection exploring women's diverse deeply embedded work in modern publishing. Highlighting the value of networks, collaboration and archives, the companion sets out new ways of reading women's contributions to the production and circulation of global print cultures. With an international intergenerational set of contributors using diverse methodologies, essays explore women working in publishing transatlantically on the continent and beyond the Anglosphere. The book combines new work on high profile women publishers and editors alongside analysis of women's work as translators, illustrators, booksellers, advertisers, patrons and publisher's readers, complemented by new oral histories and interviews with leading women in publishing today. The first collection of its kind, the companion helps establish and shape a thriving new research field.

Modernism: Evolution of an Idea Sean Latham, Gayle Rogers, 2015-10-22 What exactly is modernism? And how and why has its definition changed over time? *Modernism: Evolution of an Idea* is the first book to trace the development of the term modernism from cultural debates in the early twentieth century to the dynamic contemporary field of modernist studies. Rather than assuming and recounting the contributions of modernism's chief literary and artistic figures, this book focuses on critical formulations and reception through topics such as: The evolution of modernism from a pejorative term in intellectual arguments through its condemnation by Pope Pius X in 1907 and on to its subsequent centrality to definitions of new art by T.S. Eliot, Laura Riding and Robert Graves; F.R. Leavis, Edmund Wilson and Clement Greenberg; New Criticism and its legacies in the formation of the modernist canon in anthologies, classrooms and literary histories; The shifting conceptions of modernism during the rise of gender and race studies; French theory; Marxist criticism; postmodernism and more. *The New Modernist Studies* and its contemporary engagements with the politics, institutions and many cultures of modernism internationally. With a glossary of key terms and movements and a capacious critical bibliography, this is an essential survey for students and scholars working in modernist studies at all levels.
