

WITTGENSTEIN'S MISTRESS

David Markson

Wittgenstein S Mistress

Walker Zupp

Wittgenstein S Mistress:

Wittgenstein's Mistress David Markson, 1988 Wittgenstein's Mistress is a novel unlike anything David Markson or anyone else has ever written before It is the story of a woman who is convinced and astonishingly will ultimately convince the reader as well that she is the only person left on earth Presumably she is mad And yet so appealing is her character and so witty and seductive her narrative voice that we will follow her hypnotically as she unloads the intellectual baggage of a lifetime in a series of irreverent meditations on everything and everybody from Brahms to sex to Heidegger to Helen of Troy And as she contemplates aspects of the troubled past which have brought her to her present state obviously a metaphor for ultimate loneliness so too will her drama become one of the few certifiably original fictions of our time The novel I liked best this year said the Washington Times upon the book's publication one dizzying delightful funny passage after another Wittgenstein's Mistress gives proof positive that the experimental novel can produce high pure works of imagination David Markson's "Wittgenstein's Mistress" Frédérique Loiseau, 2005 Wittgenstein's Mistress Mark Merrill, 1995 **Heidegger in the Literary World** Florian Grosser, Nassima Sahraoui, 2021-11-17 Within the vast reception history of Martin Heidegger's philosophical thought poets novelists and playwrights have occupied a central place This collection of essays opens up new perspectives by tracing the manifold often surprising ways in which Heideggerian concepts motifs and concerns have been taken up in literary and poetic writing since the middle of the 20th century In their contributions scholars from the Americas Asia and Europe explore intellectual constellations between Heidegger and selected literary figures such as John Ashbery Julia de Burgos Paul Celan Elfriede Jelinek and Velimir Khlebnikov The volume unveils the immense creativity that crystallizes in these poetic and literary traces and disseminations of Heidegger's thinking Hence it points to new and fruitful ways to critically intervene in current philosophical and literary debates **Springer's Progress** David Markson, 1999 Here comes Lucien Springer Age forty seven Still handsome though muchly vodka'd novelist currently abashed by acute creative dysfunction Sole preoccupation amid these artistic doldrums pursuit of fair women Springer is a randy incorrigible who is guided by only one inflexible precept no protracted affairs And thus he has slyly sustained eighteen years of marriage Enter then Jessica Cornford Age almost half of Lucien's Lush of body and roguish of mind Whereupon what begins as bawdy interlude becomes perhaps the most untidy extramarital lech in literature Rabelaisian yet uncannily wise both ribald and bittersweet Springer's Progress is that rarest of gifts a mature love story It is an also exuberant linguistic romp a novel saturated with irrepressible wordplay and outrageous literary thieveries Contemplating his own work Lucien Springer modestly restricts his ambition to a phrase or three worth some lonely pretty girl's midnight underlining For the discerning reader David Markson has contrived a hundred of them **Wittgenstein's Tractatus** Alfred Nordmann, 2005-08-25 Ludwig Wittgenstein's Tractatus Logico Philosophicus is one of the most important books of the twentieth century It influenced philosophers and artists alike and it continues to fascinate readers today It offers rigorous arguments but clothes them in

enigmatic pronouncements Wittgenstein himself said that his book is strictly philosophical and simultaneously literary and yet there is no blathering in it This introduction first published in 2005 considers both the philosophical and the literary aspects of the Tractatus and shows how they are related It also shows how the work fits into Wittgenstein s philosophical development and the tradition of analytic philosophy arguing strongly for the vigour and significance of that tradition

Wittgenstein's Ladder Marjorie Perloff,2022-12-22 Perloff has brilliantly adapted Wittgenstein s conception of meaning and use to an analysis of contemporary language poetry Linda Voris Boston Review Marjorie Perloff among our foremost critics of twentieth century poetry argues that Ludwig Wittgenstein provided writers with a radical new aesthetic a key to recognizing the inescapable strangeness of ordinary language Taking seriously Wittgenstein s remark that philosophy ought really to be written only as a form of poetry Perloff begins by discussing Wittgenstein the poet What we learn is that the poetics of everyday life is anything but banal This book has the lucidity and the intelligence we have come to expect from Marjorie Perloff Linda Munk American Literature Wittgenstein s Ladder offers significant insights into the current state of poetry literature and literary study Perloff emphasizes the vitality of reading and thinking about poetry and the absolute necessity of pushing against the boundaries that define and limit our worlds David Clippinger Chicago Review Majorie Perloff has done more to illuminate our understanding of twentieth century poetic language than perhaps any other critic

Entertaining witty and above all highly original Willard Bohn SubStance **Wittgenstein Fiction** Walker Zupp,2025-02-25 In this new book Walker Zupp demonstrates the need to reevaluate the connection between Ludwig Wittgenstein s philosophy and the extraordinary life that he led and how the best way to do this ironically is by examining novels whose central characters were inspired by Ludwig Wittgenstein s persona In Wittgenstein Fiction Zupp offers comprehensive biographical cross sections of novels by Thomas Bernhard Bruce Duffy and Lars Iyer in an attempt to define the genre of Wittgenstein Fiction for the very first time He argues that Wittgenstein Fiction satirizes the empirical world and the contemporary university and that authors who work in this genre have to re create themselves to some extent in the form of their fictional Wittgenstein characters so that fictional biographies of Wittgenstein become strange autobiographies of the authors themselves

Vanishing Point David Markson,2004-01-01 From Wittgenstein s Mistress to Reader s Block to Springer s Progress to This Is Not a Novel he has delighted and amazed readers for decades And now comes his latest masterwork Vanishing Point wherein an elderly writer identified only as Author sets out to transform shoeboxes crammed with notecards into a novel and in so doing will dazzle us with an astonishing parade of revelations about the trials and calamities and absurdities and often even tragedies of the creative life and all the while trying his best he says to keep himself out of the tale Naturally he will fail to do the latter frequently managing to stand aside and yet remaining undeniably central throughout until he is swept inevitably into the narrative s starting and shattering climax A novel of death and laughter both and of extraordinary intellectual richness **Depression and Dysphoria in the Fiction of David Foster**

Wallace Rob Mayo, 2021-01-03 *Depression and Dysphoria in the Fiction of David Foster Wallace* is the first full length study of this critically overlooked theme addressing a major gap in Wallace studies Wallace has long been recognised as a depression laureate inheriting a mantle previously held by Sylvia Plath due to the frequent and remarkable depictions of depressed characters in his fiction However this book resists taking Wallace's fiction at face value and instead situates close reading of his complex fictions in theoretical dialogue both with philosophical and theoretical texts and with contemporary authors and influences This book explores Wallace's complex engagement with philosophical and medical ideas of emotional suffering and demonstrates how this evolves over his career The shifts in Wallace's thematic focus on various forms of dysphoria including heartache loneliness boredom and anxiety as well as depression correspond to an increasingly pessimistic philosophy underlying his fiction

Immerse yourself in heartwarming tales of love and emotion with is touching creation, Tender Moments: **Wittgenstein S Mistress** . This emotionally charged ebook, available for download in a PDF format (*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
