Social and Cultural Foundations in Global Studies Eve Stoddard, John Collins, 2016-10-04 From the Foundations in Global Studies series this text offers students a fresh comprehensive multidisciplinary entry point to the study of the social and cultural aspects of global studies After a brief introduction to global studies the early chapters of the book survey the key concepts and processes of globalization as well as a critical look at the meaning and role globalization Students are guided through the material with relevant maps resource boxes and text boxes that support and guide further independent exploration of the topics at hand The second half of the book features interdisciplinary case studies each of which focuses on a specific issue

Globalizing Women Valentine M. Moghadam, 2005-02-16 Globalization may offer modern feminism its greatest opportunity and greatest challenge Allowing communication and information exchange while also exacerbating economic and social inequalities globalization has fostered

the growth of transnational feminist networks TFNs These groups have used the Internet to build coalitions lobby governments and advance the goals of feminism Globalizing Women explains how the negative and positive aspects of globalization have helped to create transnational networks of activists and organizations with common agendas Sociologist Valentine M Moghadam discusses six such feminist networks to analyze the organization objectives programs and outcomes of these groups in their effort to improve conditions for women throughout the world Moghadam also examines how globalizing women are responding to and resisting growing inequalities the exploitation of female labor and patriarchal fundamentalisms The Oxford Handbook of Global Studies Mark Juergensmeyer, Saskia Sassen, Manfred B. Steger

(#d), 2019 Since the end of the Cold War globalization has been reshaping the modern world and an array of new scholarship has risen to make sense of it in its various transnational manifestations including economic social cultural ideological technological environmental and in new communications The chapters discuss various aspects in the field through a broad range of approaches This handbook focuses on global studies more than on the phenomenon of globalization itself although the various aspects of globalization are central to understanding how the field is currently being shaped **An**

Introduction to Global Studies Patricia J. Campbell, Aran MacKinnon, Christy R. Stevens, 2011-09-13 Taking an interdisciplinary approach An Introduction to Global Studies presents readers with a solid introduction to the complex interconnected forces and issues confronting today's globalized world Introduces readers to major theories key terms concepts and notable theorists Equips readers with the basic knowledge and conceptual tools necessary for thinking critically about the complex issues facing the global community Includes a variety of supplemental features to facilitate learning and enhance readers understanding of the material *Gender and Globalization in Asia and the Pacific* Kathy E.

Ferguson, Monique Mironesco, 2008-08-01 What is globalization How is it gendered How does it work in Asia and the Pacific The authors of the sixteen original and innovative essays presented here take fresh stock of globalization's complexities They pursue critical feminist inquiry about women gender and sexualities and produce original insights into changing life patterns in Asian and Pacific Island societies Each essay puts the lives and struggles of women at the center of its examination while weaving examples of global circuits in Asian and Pacific societies into a world frame of analysis The work is generated from within Asian and Pacific spaces bringing to the fore local voices and claims to knowledge The geographic emphasis on Asia Pacific highlights the complexity of globalizing practices among specific people whose dilemmas come alive on these pages Although the book focuses on global gendered flows it expands its investigation to include the media and the arts intellectual resources activist agendas and individual life stories First rate ethnographies and interviews reach beyond generalizations and bring Pacific and Asian women and men alive in their struggles against globalization Globalization cannot be summed up in a neat political agenda but must be actively contested and creatively negotiated Taking feminist political thinking beyond simple oppositions the authors ask specific questions about how global practices work how they come to be who benefits and
