Women Early Christianity Alfred Brittain:

Women of Early Christianity Alfred Brittain, Mitchell Carroll, 1908 When the historian has described the rise and fall of empires and dynasties and has recounted with care and exactness the details of the great political movements that have changed the map of continents there remains the question What was the cause of these revolutions in human society what were the real motives that were operative in the hearts and minds of the persons in the great drama of history that has been displayed The mere chain of events as they have passed before the eye as it surveys the centuries does not give an explanation of itself There must be a cause that lies behind these events and of which they are but the effects This cause the true cause of history lies in the minds and hearts of the men and nations The student of the past is coming more and more to see that the only hope of making history a science and not a mere chronicle is to be found in the clear ascertainment and study of those psychological conditions which have made actions what they were Foremost among those conditions have been the hopes aspirations and ideals of men and women These have been the greatest motive forces in the history of the world These quite as much as merely selfish considerations have guided the conduct of the men who have made history not merely those who have been leaders in the great movements of society but the multitude of followers who have not attracted the attention of historians but have nevertheless given the strength and force to the revolutions of the world **Women of**

Early Christianity Alfred Brittain Mitchell Carroll, 2025-07-22 **Women of Early Christianity** by Alfred Brittain Mitchell Carroll is a groundbreaking exploration into the pivotal roles women have played in shaping the early Christian faith and community Throughout the ages the narratives of women have often been overshadowed or marginalized in religious texts however Carroll brings to the forefront their indispensable contributions that are vital to understanding the true essence of early Christianity This remarkable book goes beyond mere historical recounting offering rich insights into the lives of Christian women leaders female disciples and the specific ways women influenced the growth of the church during its formative years In this meticulously researched work Carroll examines women in the New Testament shedding light on their experiences teachings and leadership roles that defied the conventional norms of a patriarchal society Readers will be captivated by stories of notable figures such as Mary Magdalene Priscilla and other female disciples whose legacies illustrate that women not only witnessed the foundational events of Christianity but actively participated in its spread as women evangelists Carroll s narrative challenges traditional interpretations of scripture encouraging readers to reconsider the role of women in the church and their profound impact on Christian history Furthermore the book dives deep into topics such as feminist theology and women s contributions to Christianity celebrating the empowerment of women in Christianity while acknowledging the struggles they faced in a society that often relegated them to the background Carroll s examination of women saints and their stories provides a rich tapestry of spirituality showing how women s unique experiences shaped feminine spirituality and influenced the faith of countless individuals Carroll s work does not shy away from the complexities

Women of Early Christianity Alfred Brittain,Mitchell Carroll,2015-05-04 Christianity introduced a new moral epoch in the course of human history Its effect was necessarily transforming upon those who came under its sway Being cosmopolitan in its nature we have now to study woman as being somewhat dissociated from racial type and national manner and we shall seek to ascertain how she met and was modified by Christian conditions **Women of Early Christianity** Alfred Brittain,Mitchell Carroll,1908 Woman in All Ages and in All Countries: Women of early Christianity, by A. Brittain and M. Carroll ,1908 Roman Women Alfred Brittain,1908 **Women in Christian History** Carolyn DeArmond Blevins,1995 For much of Christian history the role of women in the life of the church both local and universal has been downplayed overlooked or simply denied Such a state of affairs of course also denies the testimony of the church s Scriptures regarding the key role women played in Jesus own ministry and that of the early church It denies or deliberately overlooks the significant role of women in the life of the church throughout the church s history down to and including the present day In recent years such denial of the significant place of women in Christian history of course has been addressed But nowhere is there available a more comprehensive bibliography than the present one compiled by Carolyn Blevins The reach of Blevins s bibliography is wide from the earliest church to present times across every ethnic and national boundary and throughout virtually every segment of the church Catholic and Protestant and stripes in between or beyond This is in many ways but a beginning place Yet with the help of Blevins s good work students teachers researchers historians and all other seekers after the significant place of women in Christian history have indeed a place to make a good beginning Early Scenes in Church History Various,2019-12-13 *Early Scenes in Church History* is a compelling anthology that offers a rich tapestry of narratives
