has been so profound that their early products were recently reintroduced by Conran's Habitat 67. Lucienne Day pioneered the introduction of modern abstract pattern design in the textile industry. Her fabrics which oscillate between bold geometric figures and more subtle abstract patterns were produced by companies as diverse as Heal's and Liberty of London. Robin Day's influential furniture designs pioneered the use of materials such as plywood, steel and plastic. His stacking polypropylene chair right is one of the best selling chairs in the world. Robin and Lucienne Day the first ever full length monograph on their designs features never before seen archival material along with over 250 color images of the full range of their work including furniture, ceramics, textiles, wallpaper, interiors, appliances, exhibit designs and graphics. Spanning a half century's creative output, no designer will fail to be awed by the genius seen in this book. **Enabling Globalization** Nabil Freij, 2010-02-19.
