Whose Jerusalem The Conflicts Of Jerusalem:

Rituals of Conflict Ira Sharkansky, 1996 Kosher food secular marriage divorce burial abortion and other medical procedures The Issue of Jerusalem Abdulwali Sherzad Miakhel, 2010-01-27 Essay from the year 2008 in the subject Politics Topic Peace and Conflict Security grade A University of Missouri Saint Louis political science course Israeli Palestinian Conflict language English abstract The status of Jerusalem is the main and most sensitive part of the Israeli Palestine conflict It is sensitive because of its religious importance for all three sides especially for Muslim and Jewish communities The international community and even close allies of Israel the United States refuse to recognize Jerusalem as the capital of Israel A majority of countries including the United States and most European countries refuse to locate their embassies in Jerusalem *The Territorial Management of Ethnic Conflict* John Coakley, 2004-08-02 The object of this book is to look at the manner in which states attempt to cope with ethnic conflict through territorial approaches This revised edition has new chapters covering Northern Ireland South Africa and Yugoslavia **Fast Facts on the Middle East Conflict** Randall Price, 2003-04-21 The conflict in the Middle East raises many questions for Americans Christians and the world community Randall Price a bestselling author and expert in Middle Eastern studies provides concise answers to those questions In a practical Q and A format with maps charts and sidebars this book unveils a fascinating timeline of the conflict development as it answers Why is America involved What are the common misconceptions about the conflict How does the truth differ from the headlines Is there a way to resolve this situation Price s knowledge of Israel Islam and the current controversies provides an insider s information in a quick reference format Readers will be able to understand the complex issues appearing in today s media reports **Jerusalem** Madelaine Adelman, Miriam Fendius Elman, 2014-06-12 Jerusalem is one of the most contested urban spaces in the world It is a multicultural city but one that is unlike other multi ethnic cities such as London Toronto Paris or New York This book brings together scholars from across the social sciences and the humanities to consider how different disciplinary theories and methods contribute to the study of conflict and cooperation in modern Jerusalem Several essays in the book center on political decision making others focus on local and social issues While Jerusalem s centrality to the Israeli Palestinian conflict is explored the chapters also cover issues that are unevenly explored in recent studies of the city These include Jerusalem s diverse communities of secular and orthodox Jewry and Christian Palestinians religious and political tourism and the heritage managers of Jerusalem the Israeli and Palestinian LGBT community and its experiences in Jerusalem and visual and textual perspectives on Jerusalem particularly in architecture and poetry Adelman and Elman argue that Jerusalem is not solely a place of contention and violence and that it should be seen as a physical and demographic reality that must function for all its communities *Conflicts in a Conflict* Michael Mousa Karayanni, 2014 Conflicts in a Conflict outlines and analyzes the legal doctrines instructing the Israeli courts in private and civil disputes involving the Occupied Palestinian Territories of the West Bank and the Gaza Strip since 1967 until the present

day This book's compelling thesis is the existence of a close relationship between conflict of laws doctrines as they developed over the years and Israeli policies generally in respect of the Palestinian Territories This study of the conflict of laws in a war setting and conflict of laws in a jurisdictionally ambiguous location will greatly serve scholars and practitioners in similarly troubled and complex legal situations elsewhere

Human Rights and Conflict Resolution Claudia Fuentes Julio, Paula Drumond, 2017-11-22 Human rights and conflict resolution have been traditionally perceived as two separate fields sometimes in competition or in tension and occasionally with contradictory approaches towards achieving a lasting peace Although human rights norms have been incorporated and institutionalized by various national regional and international organizations that deal with conflict resolution negotiators and mediators are often pressured in practice to overlook international human rights principles in favor of compliance and more immediate outcomes The chapters in this volume navigate the relationship between human rights and conflict resolution by fleshing out practical conceptual and institutional encounters of the two agendas and engaging with lessons learned and windows of opportunities for mutual learning Recognizing the increasing relevance of this debate and important gaps in the current research on the topic this book addresses the following questions How can we improve our practical and theoretical understanding of the complementarity between human rights and conflict resolution How would a human rights based approach to conflict resolution look like How are international regional and national organizations promoting implementing and or adapting to better coordinate between human rights and conflict resolution Building on empirical evidence from contemporary conflict resolution processes how have human rights been integrated in different efforts on the ground What are the main lessons learned in this regard Examining a wide range of countries and issues this work is essential reading for human rights conflict resolution and security experts including scholars diplomats policy makers civil society representatives and students of international politics

The Power of Planning Oren Yiftachel, Jo Little, David Hedgcock, Ian Alexander, 2012-12-06 The book addresses critically the question What is the societal impact of urban and regional planning It begins with a theoretical discussion and then analyses through a series of case studies the intentions contents struggles and consequences of urban and regional planning It shows that plans and policies often defy the commonly perceived role of advancing equality justice development and amenity by causing social problems marginalisation and inequalities The book looks at planning from a critical distance without a priori belief in its necessity or usefulness The 12 chapters written by renowned international scholars demonstrate the multiplicity of social and political struggles over the contested terrain of spatial policies The book focuses on four key areas where the impact of planning is explored the community power gender relations ethnic tensions and social polarisation while comparing three societies Australia Israel and England Audience This volume is mainly intended for faculty and students of academia but also for urban professionals and policy makers The book is relevant to fields such as urban and regional planning geography political science urban studies urban sociology urban anthropology ethnic and gender relations

The Search for Peace in the Arab-Israeli Conflict Terje Rød-Larsen, Nur Laiq, Fabrice Aidan, 2014 The Search for Peace in the Middle East provides an annotated overview of attempts to make peace in the region including all relevant documents related to the Arab Israeli

conflict over the past century since the Sykes Picot Agreement of 1916 and a full set of accompanying maps specially made for this edition The Making of the Arab-Israeli Conflict, 1947-1951 Ilan Pappé, 2025-02-20 This seminal text by renowned Israeli historian Ilan Pappé discusses one of the most significant periods in the Arab Israeli conflict Based on archival material it presents the reader with a comprehensive and general history of the origins and consequences of the 1948 war While among Arabs and especially Palestinians the events of that year are known as the nakba the catastrophe the trauma the disaster for Jews and in particular for Israelis their victory in the war of 1948 is a veritable miracle For them against tremendous odds and through heroic military effort the Jewish community succeeded in thwarting attempts by the Arab states to destroy it Pappé shows here that in sharp contrast to the recollections and myths of both sides the military events of 1948 were not decisive The victory of the Zionist organization and the fate of the Palestinians was determined by politicians on both sides in the discussions and decisions of the United Nations in 1947 8 and in the Arab League long before a shot had been fired He argues that Israel's failure to take advantage of the genuine opportunity for peace with the Arabs at the UN sponsored Lausanne Conference in 1949 resulted in the prolonged and tragic conflict between Israel and the Arab states still very much alive today Complete with a new foreword by the author the book remains the authority on the subject for a new generation of readers The Contest and Control of Jerusalem's Holy Sites Marshall J. Breger, Leonard M.

Hammer, 2023-08-17 The Holy Places of Jerusalem's Old City are among the most contested sites in the world and the ground zero of the Israeli Palestinian conflict Tensions regarding control are rooted in misperceptions over the status of the sites the role of external bodies such as religious organizations and civil society and misunderstanding regarding the political roles of the many actors associated with the sites In this volume Marshall J Breger and Leonard M Hammer clarify a complex and fraught situation by providing insight into the laws and rules pertaining to Jerusalem's holy sites Providing a compendium of important legal sources and broad form policy analysis they show how laws pertaining to Holy Places have been implemented and engaged The book weaves aspects of history politics and religion that have played a role in creation and identification of the law It also offers solutions for solving some of the central challenges related to the creation control and use of Holy Places in Jerusalem Dynamics of the Arab-Israel Conflict Michael Brecher, 2017-01-20 This book comprises findings from the author's wide ranging research since 1948 on the unresolved Arab Israel protracted conflict Brecher reflects back on his detailed analysis of the UN Commission created in November 1947 and his near seven decades of research and publications on this complex protracted conflict continued since the first of nine Arab Israeli wars The book includes an analysis of the crucial early phase of the unresolved struggle for control of Jerusalem in 1948 49 and beyond based on extensive interviews with Israel's leaders and prominent Egyptian senior officials journalists and academics It addresses the many diverse attempts at conflict resolution including a peace plan to resolve the Arab Israel conflict of the author's own design It concludes with historical reflections about Israel's behavior domestically and externally in 1948 1949 and 2008 and beyond

No other book on this protracted conflict contains so many important interviews with the first two generations of Israeli leaders and Egyptian officials and academics and no other author can speak from such a deep and prolonged engagement

Arab-Israeli Conflict Priscilla Roberts, 2014-07-15 Truly an essential reference for today's world this detailed introduction to the origins events and impact of the adversarial relationship between Arabs and Israelis illuminates the complexities and the consequences of this long lasting conflict The Arab Israeli conflict remains one of the most contentious in modern history one with repercussions that reach far beyond the Middle East This volume describes and explains the most important countries people events and organizations that play or have played a part in the conflict Chronological coverage begins with the Israeli War of Independence in 1948 and extends through the 2010s A one stop reference the guide offers a comprehensive overview essay as well as perspective essays by leading scholars who explore such widely debated issues as the United States support for Israel and historic rights to Palestine Important primary source documents such as the UN Resolution on the Partition of Palestine and the Camp David Accords are included and put into context Further insight into drivers of war and peace in the Middle East are provided through biographies of major political leaders like Menachem Begin Golda Meir Yasser Arafat Benjamin Netanyahu and Anwar Sadat

Samson Blinded: A Machiavellian Perspective on the Middle East Conflict Obadiah Shohar, 2006 *Samson Blinded A Machiavellian Perspective on the Middle East Conflict* by Obadiah Shohar abandons moralizing and ideological hubris to view Israeli Muslim struggle in terms of raw realpolitik Terrorism is historically normal mode of war Israel must respect terrorists as efficient warriors and kill them Nuclear terrorism is unavoidable and it will hit America before Israel We must learn to tolerate and mitigate its damages Shohar makes the case that only by shedding liberal idealism the West can win against Islamists Espousing political rationalism he deplores both Jewish and Muslim myths and argues for efficiency and separating politics from moralism
